

## \$200,000 Post Office Building Contract Let

AT 4-4681

Orinda's new post office will be located next to the Lucky Store on Camino Pablo in the planned neighborhood business district of Orinda Village.

Contract for construction of the new building was awarded by the Government last week. The 9,200 square foot building will cost an estimated \$200,000. Architect Jack Buchter said at the present time details were being worked out with the Post Office Department.

Bids for the construction of the building will probably be called in about 30 days. Buchter said work on the building should begin within 60 days and it is expected the building will be open late this year.

The contract was awarded to Buchter, Robert H. Bolman and Wayne M. Claygill. The U.S. will lease the building for 10 years with two five-year renewal options.

Buchter said the single story structure will use tilt up concrete wall construction with folded plate roof. It will be in keeping with the contemporary design of other buildings in the district.

Approximately seven acres of land, including the post office site will eventually be developed for business. Possible installation will be a bank, junior department store, and first class mail shops.

Post Master Laura Mallory said the new post office will replace the overcrowded building at 231 Brookwood Road. No increase in her staff is planned immediately, she said.

## The Sun Visits Every Home In Orinda Today

This week The Sun is being distributed to every home in Orinda. Newcomers to Orinda and to The Sun will have the opportunity to become acquainted with the many fine news stories, features and editorials published weekly.

News of local interest, such as school board meetings, civic affairs and service clubs is covered as carefully as county wide news of interest to Orinda residents.

Society news, sports, even the weather... there's something to interest everyone in the family in each issue of The Sun.

## Film Ratings Revealed In This Issue

Movie recommendations and ratings issued each month by the Film Estimate Board of National Organizations will be found on the editorial page of this issue of The Sun.

Ratings are classified for adults; mature young people; young people; family, and children unaccompanied by adults.

Parents and civic leaders have asked for the ratings each month in order to plan family movie fare. The Sun is glad to cooperate by regularly publishing the movie recommendations.

IT'S NOTHING but weeds now, but Postmaster Laura Mallory is looking forward to the time when this lot, next to Lucky Store on Camino Pablo, will be a nice, shiny new post office for Orinda. And that won't be too far away, either.

## This Problem Is Everybody's

AN EDITORIAL

Parking is a real community problem in Orinda.

It is a problem that concerns not only the merchants, but the commuter and the shopper as well.

It's odd how some of the problems seem to persist in growing communities like Orinda, but they do. There have been parking surveys in Orinda, and meetings have been held. The problem has been talked over, but nothing much has really happened.

THERE IS A parking authority in Orinda, but it has very limited powers. Incidentally, the taxing powers of the district are limited to the business district. Homeowners don't contribute a thing to it.

Here is where we stand: There are more people in Orinda than ever before. Consequently, there are more shoppers, more commuters and more congestion.

And there is less parking for everybody.

This is a problem that is going to become increasingly severe, and it is everybody's problem.

This is something that the Orinda Association, the chamber of commerce and the parking authority should all examine with care. Then they should sit down together and work out a practical solution for the good of everybody in the community.

There is still land available. For instance, there are some parcels of freeway right-of-way land which would make excellent parking facilities.

And now is the time to find an answer... before a difficult situation becomes an impossible and expensive one.

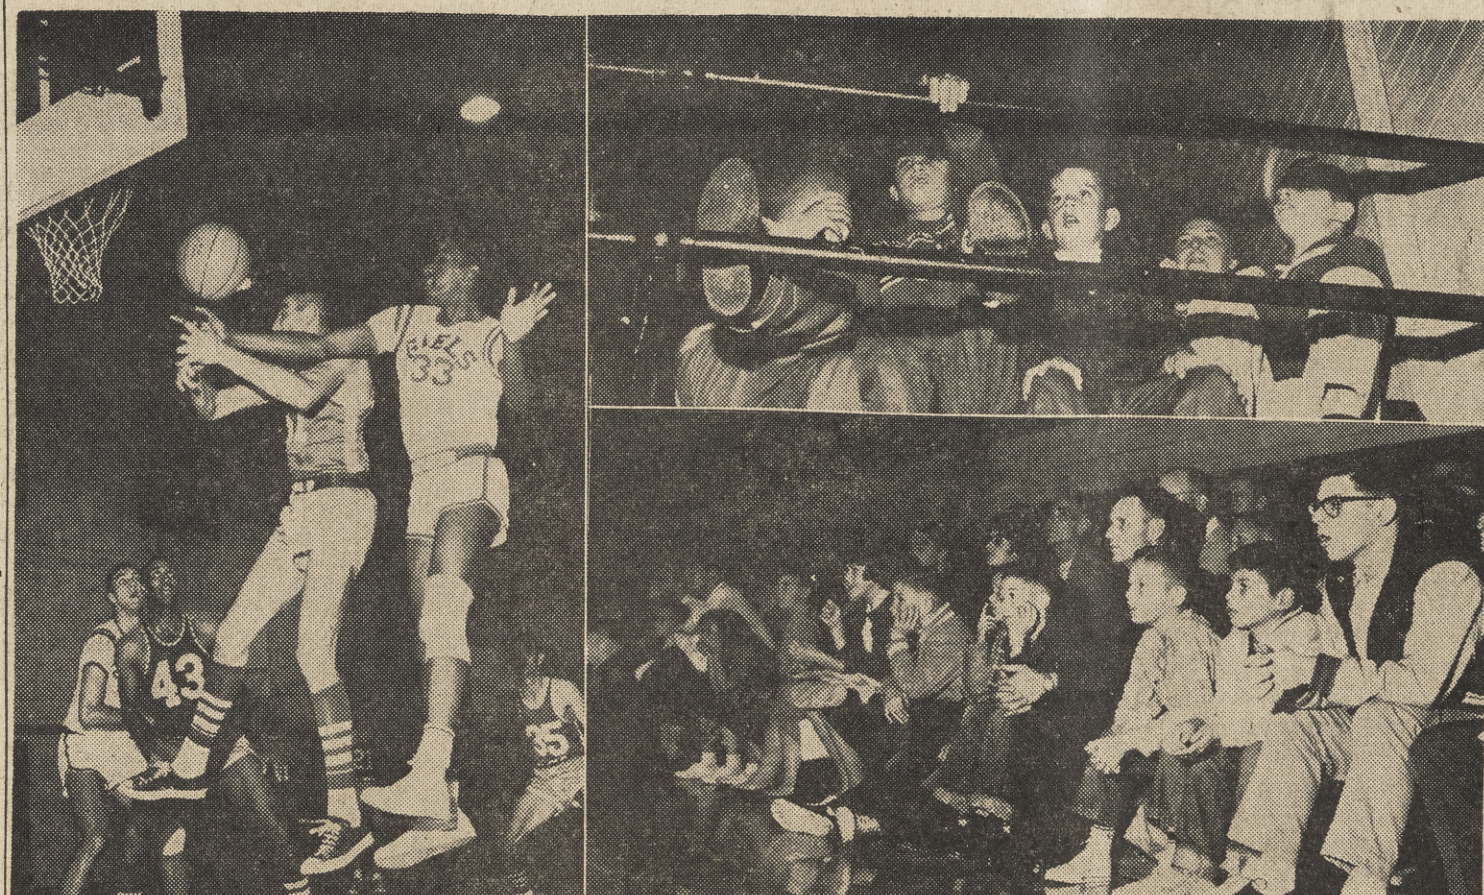

## Hats Off To . . . Bruce Howard, Citizen Supreme and Family Man

Hats Off . . . to genial and jovial Bruce Howard, whose current community activities include simultaneously wielding the gavel for the Orinda Association and the Pine Grove Parents' Club.

Together with wife Jeanette, he serves on the board of the Miramonte Parents' Club, is a vice president at the Howard Terminal (started by his grandfather at the turn of the century), sits on the board of directors for the County Taxpayers' Association.

LIFE WITH FATHER at their Miner Road menage where the family has lived for 15 years, is a merry one for the four Howard boys, Barry, 17; Teddy, 15; Doug, 13; and Duncan, 8, who can get their father to relax and share in their fun at the drop of a hat . . . or a basketball! For further relaxing between reports and meetings the native Contra Costa takes to tennis and gardening . . . and any diversion that can be shared by his family.

## It Was a Real BALL...

EXCITING ACTION was the menu offered to dads and kids who like to watch basketball by the Sun and St. Mary's College. The annual night was attended by more than 400 youngsters and their fathers last Saturday. St. Mary's fine team provided most of the thrills as they romped to a 74-54 win over Cal Poly. The kids enjoyed the action as provided by Steve Gray (33) who

## Nielsen Proposes Consolidation of 5 Fire Districts

The County Board of Supervisors will hold a public hearing, February 28 at 1:30 p.m. to consider Supervisor Mel Nielsen's proposal for consolidating five fire districts in the central county into one big fire district.

Nielsen's proposal generally relates to a study conducted two years ago by the county administrator's office, which outlined consolidation of several districts. The report was shelved at that time.

Proposed for consolidation by Nielsen at a Tuesday meeting were the Mt. Diablo, Central, Briones, Orinda, parts of Moraga No. 1 and Island Districts.

LEFT OUT were the Lafayette, Danville and Bay Point Districts which are not organizational extensions of the boards of supervisors, and which elect their own commissioners.

The districts proposed have commissioners appointed by the supervisors.

Nielsen commented that he has visited the central county districts, and there seems to be a great deal of duplication of services, manpower and facilities, and overlapping of districts.

Pleasant Hill is served by both the Mt. Diablo and Central Fire Districts, and Walnut Creek is served by the Central, Mt. Diablo and Danville Districts, he said.

BECAUSE the districts act independently, often fire stations from different districts are sometimes located close together, he added.

He said that future expansion of the area will increase these problems.

## Parking On Brookwood Rd. Is Limited

A recommendation from the Public Works Department that parking be prohibited at all times on the east side of Brookwood Road starting at a point 105 feet north of the center line of Camino Pablo and running southerly around the corner a distance of 100 feet was approved Tuesday in Martinez.

Restricted parking in the area is made necessary due to the new traffic signals at the intersection of Camino Pablo and Brookwood Road.

## Water, Water Everywhere, Not A Drop to Drink

A dozen or more homes near Glorietta Blvd. were temporarily without water Tuesday when an underground break in a six-inch water main on Moraga Highway disrupted service until EBMUD crews repaired the break.

According to workmen, the break in the line was apparently caused by ground movement.

## Huge Increase Seen In Orinda Postal Receipts

Orinda is assured of a beautiful new post office at the site on Camino Pablo . . . and it's just in time too.

Postmaster Laura M. Mallory reports the gross receipts (unadjusted) for 1960 are \$152,463, approximately a 150 percent increase from 10 years ago when the gross receipts were \$48,542.

Just in the past year the gross receipts increased \$15,559 from the total of \$136,904 in 1959.

Another increase on this scale will place the Orinda Post Office among the ranking offices of the region. Lafayette joined the ranks by leaping into the \$200,000 to one million bracket for 1960.

## Junior Chamber Banquet Honors Thomas G. Cullen

Orinda's Man of the Year, Thomas G. (Gerry) Cullen, was honored Thursday night at the Orinda Junior Chamber of Commerce banquet held at Mike Lynn's.

Cullen, who earned the Man of the Year title because of his devotion to the development of youth through his work with Boy Scouts, was presented a certificate by Sun publisher, Herman Silverman.

In accepting the award, Cullen said, "I think this should have been awarded to Mrs. Cullen, who stayed home because she doesn't like camping." Cullen was referring to the many occasions he has taken boys on weekend or week-long camping trips.

Bob Wale, president, presided at the Junior Chamber's Man of the Year banquet. Mayor George Christopher was the guest of honor and he spoke on his trip to U.S.S.R. at the invitation of Krushchev. He related incidents of his visit and Krushchev's visit to San Francisco.

Jack Newton, state vice president of the jaycees, discussed the jaycee community development survey. The survey, according to Newton, is "an inventory" of community needs. The purpose of the survey is to find the project that best fits the jaycees, then the local group starts a program accordingly.

Supervisor Mel Nielsen addressed the gathering briefly. Jaycees in charge of arrangements for the banquet were Les Collier, Bob Ellsworth and Bob Anderson.

## Cubs Play Ball On Saturdays

Orinda Cub Pack 57 has begun a series of basketball sessions as part of its year-round sports instruction program. Under the leadership of Assistant Cubmaster Al Canale and Don Preiss, the boys meet at Miramonte High School gymnasium on Saturday mornings.

Cubs attaining new rank at the January pack meeting are, Wolf: Max Koeninger, Mike Fuerst, David Sharpe, Larry Walsh, Roger Henderson, Dan Wells, Chuck Millar, Marty Anderson, Barry LaVigne, Curtis Hamm, Kenny Lawver, Mike McKim, Randall Nikolai, John Reynolds and Steven Patching; Bear: Paul McKinnon, Roger Warner, Ron Cavalli, Matt Conover, Jeff Blanc, and Andy Wistrich.

The annual Blue and Gold dinner, this year featuring a "Genius Contest," will be held February 21 at Miramonte High School.

## Compromise Ignores Black Hills Road, Calls for Cash

The County Board of Supervisors split decision Tuesday avoided approval of the Black Hills Road as replacement for Bear Creek Road. And it provided for a cash settlement with East Bay Municipal Utility District for replacing Bear Creek Road. But nobody is entirely happy — not even Black Hills Road opponents.

The supervisors on motion of Mel Nielsen, voted, 3-2, to begin engineering on one segment of road which is planned for construction, regardless of whether eventually the replacement for Bear Creek Road is Black Hills Road or "C" route, or some other route.

Approved is the B1 route, which lies generally northeast of the proposed Briones Reservoir, and runs generally in a northwesterly direction.

B1 route will run from Garcia Ranch Road on the north to Happy Valley Road, Lafayette, on the south, and is supposed to connect to Black Hills Road, if it is finally constructed, or nearly connect with "C" route, west of the reservoir, if it is chosen.

Cost of B1 route is estimated at \$1.22 million.

IN THE ARGUMENTS over choosing as replacement either Black Hills Road and "C" route, cost estimates have combined each of them with the B1 route, since it is in the cards anyway.

County officials said Black Hills Road and B1 would cost more than \$4 millions, and "C" route and B1 would cost nearly \$6 millions.

Whether EBMUD directors will accept a proposal for a cash settlement based on the cost of the most economical road replacement may be indicated at their meeting, next Friday.

The proposal will be presented to the directors then by Nielsen and Supervisor Tom Coll, County Administrator J. P. McBrien and District Attorney John Nejedly.

NIELSEN has defended his motion by saying that some progress on the road network in the reservoir area will be made by this plan and the county will have removed the need for haste on deciding the Bear Creek replacement, instead adding about \$2.9 millions to its treasury for road work in the area.

A decision on the actual replacement road may be clearer after more deliberating on the area's road needs, Nielsen said.

EBMUD's preference for the Black Hills Road, backed up by a number of other agencies, has been fought by leaders of the Sleepy Hollow and Happy Valley Associations.

Arguments for and against have been advanced over a period of months, and authorities have been used by both sides.

MOST VOCAL is Robert Kahn, president of the Happy Valley Association, who this week described the supervisors' compromise as the construction of a \$1.2 million road which will not be of practical use until another \$3.3 million is spent improving the roads at its extremities and a bond issue is passed developing the proposed Briones Park, which the county is purchasing, piecemeal.

KAHN SAID the B1 route will have a 40-foot pavement width, built for 50 miles per hour speeds, but will connect on each end to inadequate roads, much narrower

than the "severe safety hazards" of the road.

Availability of county funds will determine the speed with which additional improvements are commenced. "One of the greatest hazards," Mrs. Donchin commented, "results from encroachment of shrubbery onto the right of way from adjoining property, obscuring visibility and forcing autos to the center of the road."

"PROPERTY owners in good conscience should voluntarily remedy this hazard. County work crews will mark the encroaching shrubbery, commencing Monday, and remove the same at the end of the month if the owners have not trimmed it back," she concluded.

Others serving on the association committee are John Cheney, Charles Hanks, Murray McNeil, Bette Bell, Harold Heller and Wes Parker.

### I'm Always Chasing Rainbows . . .

NO BLUE SKIES up above as Jean Henderson lovingly planted & patted each tiny iceplant into place on the lower banks of El Toyonal last Blue Monday!

Tuesday's gloominess broken by a burst of brilliant rainbow . . . did you see it?

WE DON'T follow fires, but we DO have quite a reputation as a Rainbow-Chaser so off we went to seek the Pot of Gold at the end of it & darn if it didn't disappear right down into the Charles Kersten's house on Canyon Dr. . . . It might have been an optical illusion but Laurie's & Charlie's Pot of Gold certainly isn't! We mean their Seven From Heaven brood, the penultimate in parenthood!

RAINY DAY rummaging through the stores we were delighted to find some lacy old-fashioned Hearts & Flowers valentines w/cherubs & choice romantic phrases back w/this season's valentines, just like the kind we used to have Way Back When. Like in the "olden days, Ma?"

BUSMAN'S HOLIDAY . . . In the huge foot-tapping audience for waltz-time Welk (uh one, uh two, uh three) at the Richmond aud. last Monday night, of all people, Music Maestro Dick Dildine & his Pat enjoying a rare night-off on the OTHER side of the bandstand spot.

THE TERRIFIC male lead imported by the Mills College gals for their recent production of Arthur Miller's "The Crucibles" (w/itch-burn w/ a message!) was the very same Rolfe Williams, husband of Lucy (jr. Hupp) & a prominent actor of our Dramateur ranks . . .

Dramateur's "Visit To A Small Planet," by the way, got off to its star-dusted scintillating start last night at the Townhall in Laf. w/ the usual premiere & party.

SAYONARA . . . To Sophie Madison, Orinda School Secy., who midweek jetted to Japan for a six-mos. leave of absence & visit w/ her dgtr.

BUENOS DIOS . . . If your Spanish needs a little polishing, you can't do better than sunny SUNNY Schmidt, mother of four, who teaches her Haste La Vistas (?) at the Miramonte Night School Adult Ed. program . . . I'll take a front row desk next week . . . if I can squeeze in!

DENTIST GENE Garbarino driving into the Village shopping center, his little grey convertible Volkswagen loaded down w/little red skis on top & little boys inside, returning them (the skis, not the boys) to Sports Unlimited after a long wknd. at Squaw Valley.

If he had to take a spill on the slopes, he did it the right way. Just a big black & blue swollen thumb which is as rough on a dentist, I suppose, as a broken arm on a symphony conductor.

Phyllis & Dick McAdams did their Blessed-Eventing early in the week, welcoming a 7 lb. 10 oz. baby boy, their third!

NOT ENOUGH SENSE to come in out of the rain & why for anyway when you're having as much fun as Bruce Howard was last Sunday at Sleepy Hollow playground—Like a kid w/ his boys, dribbling the ball in the drizzling rain . . .

A NOTE FROM OUR Scandinavians . . . Mims & Sig Groenings' two sons Arne & Sven are both currently in Norway, but what Mims gets the biggest glow out of is that both boys are learning to speak fluent Norwegian, but each w/ a different dialect . . . Reason for this is Sven is in Oslo (Eastern end of Norway) studying Parliamentary Research while Arne's learning the artistic crafts of the country in Bergen (on the West Coast).

ARNE LEFT last June for a visit w/Sven & together the two vacationed the fjord country, touring by Volkswagen. When summer was over Arne decided to stay on. One of the boys called Mims & Sig recently, a trans-ocean talk that thrilled them, the voice was as clear as crystal.

FRIENDS & Neighbors of Jerry Cullen turned out in full force for last Thurs. Man of the Year Dinner at Mike Lynn's restaurant. Sharing Jerry's honor was wife Jean Cullen, her red taffetta frock rustling as she seated herself next to her husband . . . Eleanor & Herman Silverman of the SUN, the Robert Wales (he's pres. Jr. CofC & Mayor & Mrs. Christopher, who arrived just in time to be seated for dinner, also shared head-table honors.

Held in one of Mike Lynn's banquet rooms, the tables were formed in fork-tine fashion so everybody else & all could be viewed by the honored guest . . . The Nathan Grays, Kitty Schwark, Russ & Ruth Gilwee in animated conversation together.

DIRECTLY in front of the Head Table, Las Vegas Rd. neighbors, the Stan Hunns, Lois & Del Thompson, Jean & Dick Bottjer, Bill & Jane Rose . . .

More proud neighbors, full of congrats for the man who has done such a special job w/ the Scout program, were Jane & Bob Lester, the Don Woodkocks . . . Nearby, Ann & Paul Pollaczek, Jeannette & Bruce Howard.

Former Las Vegas neighbors, Dr. Sam & Emily Smith over from their home in Happy Valley to honor their long-time friend . . . Pete Veitch, Dorothy Hall, Scout councilman Joe De Maria, the Stuart Hendersons, Stan Soren more of those listening intently to Christopher's commentary on Khrushchev, the Kremlin's Gremlin.

MORE & MORE . . . The Mike Hallorans w/ their son Mike. The younger Mike one of Jerry's former Eagle Scouts . . . Warm wishes from Marge & Orville Sutton (Shoe Man) & their son Alan, who was one of the youngest Eagle Scouts in the country when he was in Cullen's old Scout Troop 207 . . . Alan, on hand w/ his wife Jan, now is the father of two of his own prospective scouts, but Girl or Boy, Cub or Brownie, we never did find out!

CHRMN. LES COLLIER (Sports Utd.) who so carefully planned the Big Event was noticeably absent & missed, he being literally "snowed" under by sportsbiz.

NICE TOUCH afterwards for Jean & Jerry when the Mel Arighis came over from the dining room where they were celebrating at one of their own children's birthdays, complete w/instant srens, photo, candles & cake, happy hats, noisemakers, all part of Mike Lynn's glorious & gratis treatment for those celebrating Birthdays! A perfect place for a family party, by the way!

GET THE MOTHBALLS out of your raccoon coat & dust off your Varsity Drag, here come the Orinda Parents Club w/ their plans for a Roaring Twenties dance at Orinda Motors on Sat. May 20. BARON Courtney's Dixieland Ork. will brush up on the tunes of the time & Grace Spitzer (Gen. Chrmn.) & her committee promise a memorable eve . . .

Tickets for the "spirits" (prohibition?) will be handled by Jane Nunn . . . Equipment by Edie McDowell, the decor will get a Cat's Pajamas & College Humor treatment by Char Chapple assisted by Billie Carlock.

Dance Tkts. will be handled by Jean Dudley, Food service by Francis Bell. Be sure to save the date for Everybody's welcome at this annual village blast!

NO MATTER how well-read you are on the Twenties (O you kid, YOU!) you can forget the Bathub Gin & the hip-pocket flasks! Miss Jim Hendrickson? He's resting comfortably at Merritt Hospital after a surprise seizure last Sunday . . .

Marie Schilling & June Jamison teamed up to give me my Very First Shower ever last week which I will write about later in a planned column which I'm thinking of calling "Full of Life," (that's me, that's me) . . . "The Dividends of Being An Older Mother" . . . I was like a Kid at Christmas & everybody was too generous, but I LOVED IT! Off to Lois Krog's to have a look at a playpen . . .

## Teens Seek Activity Center

Heard of the 14-20 Club? A group of Orinda youngsters are well on their way to making headlines, the right kind of headlines that install pride in the adult community and make those in their teens proud to claim the title "teenager."

The club, formed because the youngsters feel an almost desperate need for a community center adapted to their needs, released the following statement through the interim board of directors:

"AN ENERGETIC group of teenagers have decided to spearhead a drive for a youth center to serve the Orinda-Lafayette area. They have been actively seeking suggestions and getting information on land available, costs of construction and of the land; the legal aspects and just what sort of help they can get from other teenagers.

"They have met with active and enthusiastic support. A work

week end is being planned to start the drive for funds and many meetings have been arranged to organize the project.

The philosophy underlying these activities is that teenagers in this area desperately need an active youth center for dances after games, recreation at any time, a fountain where they can gather without apprehensive glances of a proprietor who can't help but lose money on teenage patronage, a place for conversation, work and play.

"THESE YOUTHS feel the more they participate in the creation of a teenage center, the more meaningful it will be when completed. They would like to have as much responsibility in connection with the organization, operation and active participation in the project as is possible."

The board of directors serving until such a time as the club membership has an election of of-

ficers and directors are Mike Finn, Don Kidd, Joe Cayting and Charlene Doxy.

Well organized, the group of teens has carefully outlined the club's areas of responsibilities. These include operating expenses, zones of activities, and specific items under "miscellaneous" such as a committee to appoint dance chaperones; the issuance of membership cards on the fourteenth birthday of teenagers in Lafayette and Orinda; suggested hours; a committee for work shifts to include duty at the fountain, business office, daily clean-up and daily supervisors.

Also on the list are a rule committee to establish by-laws and a publicity committee.

THE GROUP has also prepared a questionnaire for circulation in the high schools, to be placed in a receptacle at the high schools, to aid in planning for a center that will incorporate the interests of

the majority of teens involved.

The questionnaire in the form of a poll asks such things as, "Would you like to have a teenage center?" "Are you willing to work for such a center?" and "Do you think the ages 14 to 20 are right for such a center?"

Included in the list of possible facilities are such items as areas for car repairs, cleaning and overhauling; dance area, fountain and grill, conversation and study area; wood work shop and a girls' work shop (hair dryers and sinks, sewing machines, tables).

ALSO MENTIONED as possible facilities are a sound proof area for music rehearsals, meetings, recording; an office area, recreation area and a request for any particular interest group to name their need.

It is conceded by the 14-20 Club group that the realization of all these things will take time, effort

## Community Church Elects Officers, Hears Reports

The Orinda Community church held its annual meeting on January 25. At that time reports were received from the important groups and committees of the church.

The church received into membership during the past year 130 new members, has added to its staff a full-time director of music in the person of Donald Hartsell, and its records show an increase in church and church school attendance.

AT THE annual meeting the church voted its approval, 101 to 10, of the Constitution of the United Church of Christ and its desire to be a part of this church, which is a merger of the Congregational Christian churches and the Evangelical and Reformed church.

Special reports were given by Del Kay, moderator; Lloyd Macdonald, chairman of the board of trustees, and the minister the Reverend Chauncey Blossom.

THE FOLLOWING new officers were elected: Moderator, J. J. Stanley; clerk, Mrs. Ernest Drews; treasurer, Arthur Smith; financial secretary, Mrs. Horace Breed; auditor, Carl Gravelle;

deacons, Jim Campbell, Dr. Charles Baker, Jim Davison, Greg Englehard, Randall Cook; deaconesses, Mrs. Raymond Smith, Mrs. Vernon Lorch, Mrs. Peter Eberle, Mrs. C. B. Hanby, Mrs. Wilford Clearman; trustees, Walter Jameson, William Morsensen, F. W. Moulthrop.

ALSO ELECTED were: Board of Christian education, Julia Whitcombe, Reginald Robinson, William Stubblefield, Duncan Campbell; world service board, Wirtel Harris, Wilford Clearman, Ronald Stark; music committee, Mrs. Ross Van Dyke, Mrs. Horton Hill, Mrs. J. T. Jackson, Mrs. Richard Copenhagen, Dr. David Liu; altar committee, Mrs. Vernon Lorch; ushering committee, Wyatt King, Kirk Miles, Don Anderson, Charles Scott, Dana Leavitt; stewardship committee, Ralph Schneider, Gerald Trumbly, Vernon Lorch; nominating committee, Mrs. James Hupp and Mrs. R. O. Monosmith.

## AFS Is Rotary Club Program

The current program theme of the Orinda Rotary Club is the American Field Service, according to Clarence Betz, club publicity chairman.

Ralph Hall, Rotary program chairman, announced that in 1954, 450 exchange students were attending schools in the United States. This year the number has increased to 1,847 from 49 different countries. In 1960, 969 American students went abroad.

Mrs. Thomas Mica, president of the local AFS chapter, reported there are 1,400 individual AFS chapters in the United States. The local chapter hopes to have three exchange students at Miramonte this coming year.

RECENTLY TWO exchange students spoke to the Rotary Club. Ann Loe of Melbourne gave a resume of school in Melbourne as compared with school here. Jan Miller of Orinda spoke of her summer as a guest with two Denmark families.

Next week at the Rotary Club meeting the topic will be "American-Arab Understanding." The director of the West Coast Arab Information Center will speak.

On Saturday, February 11, the Orinda and Lafayette Rotary clubs will hold an inter-city dinner party at the Hotel Shattuck in Berkeley.

PRIOR to the dinner party will be an afternoon excursion to visit the U.S.S. Midway. Transportation will be by bus, which will leave at 1 p.m. from Mike Lynn's restaurant in Orinda. It will return at 4 p.m. Transportation cost will be one dollar.

Deadline for reservations for both the afternoon trip and dinner party is February 9. Contact Merle Brown, chairman, for information.

## First Humanities Seminar Meets

The Miramonte Humanities Seminar will hold the first meeting of this community-sponsored project at 7:30 p.m. Wednesday.

Dr. Elias T. Arnesen, head of the Humanities Department at San Francisco State College, will be the keynote speaker and will present an introduction to the humanities and the relation to western culture. Mr. Donald Fleming is chairman of the program committee and has secured many interesting lecturers to speak to the high school student seminar members.

THE FIRST semester program will explore the historical development of the humanities in Greek, Roman and European medieval to modern civilizations.

During the first hour of the weekly meetings the students will have lectures which will be presented by outstanding authorities in the field. The second hour of the meeting will be devoted to small discussion groups which will be led by interested adult experts from the community under the chairmanship of Dr. David Hilger.

SEVERAL FIELD trips are being planned for the program by Mrs. Andrew Hartanov. Mrs. Richard Leland has organized the program and will serve as administration committee chairman.

THE HUMANITIES Seminar is open to any interested student at Miramonte High School. Applications for membership have been distributed, and the response indicates that there is great interest. The parents of the student members have been invited to attend the first meeting on February 8.

## Freeman Pleas For Bond Passage

A plea for the passage of the Acalanes High School construction bond was urgently made at the January 17 lower grades meeting of the Sleepy Hollow Parents Club. William B. Freeman of Lafayette spoke on behalf of the bonds, stressing the fact that failure of passage will create the necessity of double sessions at Miramonte High School within five years.

"With the rapid enrollment growth in the elementary schools, it is very clear that those hundreds of students cannot possibly be channeled through one plant without a great loss to their educational opportunities," Freeman explained.

## In the Classroom

### Del Rey: Art Champions

With two first prize winners and an honorable mention within one week, Del Rey children made their efforts felt in the San Francisco Chronicle's daily quest for a Junior Art Champion.

Nancy Aitken, one of Mrs. McCormack's first grade students, was crowned champion for her drawing, "Quick Draw and Blob on the Desert." This was Nancy's second win.

KAREN HUSTON of Mr. Robertson's fifth grade class earned her championship for her picture, "The Lollipop Dragon Breathing Cotton Candy." Dennis Murphy, a third grade student in Mrs. Pearlmuter's class, received honorable mention.

## Glorietta: Open House

Sunday at Glorietta School Mr. Fisk's fifth grade class had an open house. We had this open house because Mr. Fisk was leaving to go into the armed services. Mr. Fisk introduced our new teacher, Miss Maureen Moore.

It started about 7:30 p.m. and ended at 9 p.m. All our parents, sisters and brothers were invited. Each girl and boy had a speech about what we had been doing in school.

After the program we had refreshments. The evening was enjoyed by all. Reported by Cecil Spencer.

THE BOYS of Cub Scout Pack 265 recently presented a check for \$75 to Mr. Clark, principal of Glorietta School, to be used for the purchase of school material. The boys earned this money by selling holly over the holidays.

The troop regularly meets on Friday evenings at Glorietta School and is having a father and son's blue and gold dinner today in the all-purpose room.

## Newcomers! Welcome!

The Orinda Newcomers Club was created in the fall of 1957 for the purpose of welcoming new Orinda residents and helping them to become more quickly acquainted with their new neighbors and community. The third Wednesday of each month is the regular meeting date.

In January over 50 members and guests met for lunch at Villa San Ramon. On February 15, they will meet for lunch at the Diablo Country Club. A program on interior decorating will be presented by Connie Johannesson.

HOME and garden, gourmet, bowling, golf, bridge, and canasta sections meet during the month. These smaller groups provide an excellent opportunity for fun and furthering friendships among those with similar interest.

Mrs. Bruce Washburn, newly appointed treasurer of the club, welcomed seven new members in January. These were: Mesdames H. C. Archibald, Walter Connolly, George Driscoll, Lyman Lorenson, Melvin Mezek, John Snell, and Enos Willis.

Any newcomer in Orinda is invited to attend any meeting as a guest. Questions regarding the club or its activities should be directed to Mrs. H. M. Polhamus or Mrs. Blaine Dorsett.

## Daniels' Estate Is Appraised

The estate of the first California girl to become Miss America, Mrs. Fay Lanphier Daniels, is valued at \$154,327, according to an appraisal filed recently in Martinez.

Mrs. Daniels, who became Miss America in 1925, died in Oakland last June and left the greater part of her estate to her husband, Winfield J. Daniels. Other members of the family will receive the remainder of Mrs. Daniels' estate.

## Orinda Is Wetter But Not Much

A trifle more rain dripped on Orinda this past week, as the sun shined filtered through the tiresome mist and residents sloshed through puddles.

The total rain fall in the Orinda area was a spasmodic 2.89 inches.

Temperatures are:

## Association Board Delegates Duties; Reaffirms Policy

The new board of directors of the Orinda Association met Monday night at the Orinda School to review association activities, appoint representatives to association committees and reaffirm its policies regarding several issues.

Arnold Anderson, secretary, was directed to send a night letter to the Contra Costa County board of supervisors, reaffirming the association's stand on the relocation of Bear Creek Road.

DICK BARTLE, planning committee chairman, briefed the board on his committee's activities during the past year. The board agreed to continue to resist any reduction in standards as set forth in the 1959 General Plan.

A discussion on increasing the membership of the planning committee with representatives from all areas of Orinda, with stated terms to serve, did not result in any action by the board at present.

Eric Nielsen was appointed to represent the board at planning committee meetings and to assist Bartle.

BRUCE HOWARD, association president, also appointed Dave Edwards as delegate to school board meetings; Jim Keating as board representative at civic affairs committee meetings; Harry Fledderman, community survey; Charles Dana, Bear Creek Road; Paul Fanning and Mrs. Robert Haslam, membership drive.

The board agreed to meet the fourth Monday of each month at 8 p.m. at the Orinda School.

## George Klement Is Commended

George W. Klement, son of Mrs. Helene Anderson Klement of 10 Valley View Road, Orinda, was commended recently by his platoon leader for outstanding performance of duty.

Klement is stationed with the 23rd Engineer Battalion (Armored Division) APO 165. In concluding a letter of appreciation concerning Klement's activities, First

## Language Arts Is Panel Topic

A panel of teachers and school administrators will delineate the teaching of language arts before the Inland Valley School Parents Club at 8 p.m. Wednesday in the school's newly-completed all-purpose room.

The panel will present developmental teaching of English, oral and written; from sentence structure through research and the writing of clear, concise paragraphs.

Leading off the panel will be Mr. Joseph Sheaff, superintendent of schools, Orinda Union School District, and Mrs. J. K. Doherty, Inland Valley's representative on the Educational Advisory Council. The E.A.C. is a group organized at the request of the school board, which has spent two years in the evaluation of elementary school attainments in the light of established goals set forth by the school district.

FROM THE school faculty will be Mrs. Katherine Hamilton, representing the primary grades; Mrs. Margaret Skinner, who will speak for fourth and fifth grade programs, and Mr. Marvin Tripp, for sixth, seventh and eighth grades. A summation and explanation of current trends will be presented by Mr. Glenn McNicholas, head of curriculum, Orinda Union School District.

Preceding the meeting, from 7:30 until 8 p.m., the seventh grade orchestra will play under the direction of Mr. Charles Pendleton. During this time, parents may view reading and handwriting materials which will be on display.

A representative of the Acalanes High School District also will be present to explain briefly the bond proposal which is to be voted upon February 14.

Coffee will be served following the meeting.

## Heber Smith Becomes V. P.

Heber Smith was announced as being elected as a vice president of John Blair and Company, radio station representatives. The announcement was made from New York by John Blair, president of the company. Smith manages the Blair radio office in San Francisco.

# Girl Scout Council Elects Officers; Girls With 100 Hours Take Honors

Officers were elected and four Pleasant Hill girls were honored at ceremonies of the Diablo Valley Area Girl Scout Council, January 21 in Stanley School, Lafayette.

The officers are as follows: Mesdames Kenneth Hallstone of Lafayette, president; W. C. Bonner of Walnut Creek, first vice president; Colbert Davis of Walnut Creek, second vice president; Robert Nichols of Orinda, third vice president; Lynn Bramkamp of Orinda, fourth vice president.

MESDAMES R. J. Sanders of Walnut Creek, recording secretary; Howard Prater of Walnut Creek, corresponding secretary; Ernest Fernsten of Orinda, treasurer.

Board of directors: Mesdames Kenneth Brown of Orinda, member at large; John Doane of Lafayette, District 3 chairman; Robert Freeman, Elliott Hartman, Vern Kaufman and Robert Love, all of Lafayette, members at large; W. J. Marshall of Orinda, at large.

Mesdames Carter Niles of Pleasant Hill, District 2 chairman; C. L. Offen of Walnut Creek, District 1 chairman; John Teeling of Lafayette, at large; J. V. Shabbazian of Alamo, at large.

The meeting included an impressive candlelight ceremony for 31 Senior Girl Scouts of the Diablo Valley area, who completed

a training course as nurses' aides. THE PROSPECTIVE aides have all taken physical examinations and have pledged a minimum of 30 hours of service at the rate of two hours per week.

Trainers for the program were registered nurses Mrs. B. O. Wilson of Walnut Creek, Mrs. R. C. Fediman of Pleasant Hill under the direction of Mrs. Max J. Fisher of Pleasant Hill.

Training includes the practical skills of making occupied and unoccupied beds, patient hygiene, serving trays, assisting patients to walk and assisting patients in and out of wheel chairs. In addition they were made familiar with the structure, organization and administration of a hospital.

Recognition for exceptional service of over 100 hours was given to Judy Carter, Carol Meisner, Carol Travis and Katie Phylphalt, and Pat Brown for 75 hours—all of Troop 188, Pleasant Hill.

STRIPES for 50 hours' service went to Orinda Troop 128, Rowena Loughman, Lynn Loveland and Diane Kersten.

UNIFORMS were worn for the first time by Lynn Craig, Janet Fleckner, Caroline Gordon, Nyda Henry, Ginger Johnson, Caryle Morris, Sharon Quinn and Joy Schumacher of Danville; Linda Kaufman and Judy Wolverson of Lafayette; Susan Hough of Martinez; Pam Brite, Rosemary Litabio of Orinda, who completed

Stuart of Pleasant Hill; Gladys Smith of Orinda.

Sue Ainsworth, Nora Banwell, Sue Christensen, Cornelia Davis, Judy Greene, Kay Hahneman, Janice Hoover, Janet Long, Gretchen Marten, Marilyn Ream, Nancy Runzo, Sally Strickers, Geri Weil, Sue Wharton, Phyllis Winchester and Denise Young of Walnut Creek.

It was announced that the Thanks Badge, highest adult award in Girl Scouting for at least five years of exceptional service, was presented to Janet Kaufman and Dorothy Shahbazian.

Statuettes, presented for at least three years of outstanding service were given to Eleanor Craig of Danville, Peter Howard of Walnut Creek, Pat Dietrich of Alamo, Bill Clyatt of Orinda, Betty and Howard Prater of Pleasant Hill and Florence Stamp of Walnut Creek.

Certificates of Appreciation were awarded to Charles Toll, principal of Rheem School, Moraga; Rev. Albert S. Hidy Jr., pastor of Shepherd of the Valley Lutheran Church, Orinda; Mrs. Patrick Frietas, teacher at Rheem School; also Girl Scout organization workers Doris Ainsworth, Eva Maier, Ginny Dixon, Marian Love, Connie Nichols, Florence Pink, Marilyn Solis, Verna Thyfault, Jane White and Mrs. Jeanett Muth, director of nurses at Kaiser Foundation Hospital, Walnut Creek.

PLENTY of "know-how" is represented by these new officers of the Diablo Valley Area Girl Scout Council — left to right — Mesdames Robert Nichols, third vice president; Lynn Bramkamp, fourth vice president; Vern Kaufman, "at large" director; C. L. Offen, president.

## Dr. Lloyd Bernard Is Orinda School Board Candidate

Dr. Lloyd D. Bernard, Director of Relations with Schools, University of California (Statewide), today announced his candidacy for election to the Orinda Union School District Board of Trustees.

Dr. Bernard, in announcing his candidacy for this post, said: "My reasons for seeking a place on the Board of Trustees are many, and come from a lifetime of personal and professional dedication to the betterment of our educational system."

"I BELIEVE it is the duty of each citizen to carry his share of responsibility for governmental and community activities. I also believe that a system of good public schools is absolutely essential to the preservation of our democratic way of life."

"The issue of excellence of educational programs is one of primary importance in the world today. I believe that the most effective way to achieve excellence is to develop well-conceived objectives, to search aggressively for the best available teachers, to furnish them requisite facilities with which to work and to give them freedom to perform as professional workers with the full support of the board, of the parents and of the community at large."

"PUBLIC EDUCATION should be an instrument in the process of developing loyal, thoughtful and participating citizens. To do this requires that curriculum content highlights in a positive manner the values of American life as they have been developed in the history of our country."

"It is also necessary to give youngsters opportunities to learn to govern themselves in their own sphere of activities. As a consequence, I believe in a school program that includes not only the all important knowledge and skill subjects, but also activities that provide opportunities to develop leadership and understanding of group living."

THE BEST way to appreciate the values of achievement is to earn success through hard work. Responsibility is the key to citizenship. The school program should provide to children the opportunity for such experience."

Because of his background in the field of education, Dr. Bernard believes he has a unique fund of knowledge from which he can contribute to the Orinda School system. Dr. Bernard has been a teacher, principal, Professor of Education, and Manager, School and College Placement Service of the University of California.

At present, as Director of the Office of Relations with Schools at the University of California, Dr. Bernard is responsible for the maintaining of educational liaison between the University and the public and private schools in California so that each may carry out its own function effectively.

DR. BERNARD has been a member and officer of many state and national education associations, and has been an Advisory Board member to the California Congress of Parents and Teachers, as well as an advisory board member in that organization in Contra Costa County.

In conclusion, Dr. Bernard stated, "The costs of financing education in California are assuming vast proportions. All possible economies consistent with educational values are necessary. I believe that the children of Orinda deserve the very best education. The best of any commodity costs a little more and for that reason, I do not subscribe to low cost as necessarily being a criterion of effective administration of a public school system."

Dr. Bernard, with his wife Ruth, has lived at 37 Tara Road, Orinda, for seven years.

## Mrs. Deahl Will Run For Board

Mrs. Thomas J. Deahl (Aileen C.) of 38 Hillcrest Drive, Orinda, has filed as a candidate for the board of trustees of the Orinda Union School District.

A resident of Orinda for ten years, Mrs. Deahl and her husband have two daughters, one attends Pine Grove School and the other is a student at Glorietta School.

Mrs. Deahl is a graduate of the University of California. After doing graduate work, she was employed as the statistician at Mills College. In addition to the usual statistical procedures, her work involved participation in the Mills aptitude and achievement testing programs.

ACTIVE in Girl Scouting for the past five years, Mrs. Deahl is currently leader of Troop 309. She has been a room mother chairman at Glorietta School and has served on its Parents' Club Board for two years as education chairman.

For the past two years Mrs. Deahl has been a Glorietta representative on the Educational Advisory Council and has served as secretary of the group during its evaluation of how well the Orinda District is meeting its stated educational goals.

Mrs. Deahl is a charter member of the Orinda Branch of the American Association of University Women.

In her statement for candidacy Mrs. Deahl declares: "During the past three years I have attended all but four of the school board meetings and I have been vitally interested in the problems that are faced by our local district in these days of increased awareness of the importance of education."

"I FEEL that we in Orinda are fortunate in having an excellent public school system, but that we must not become complacent and we must continually evaluate our aims and accomplishments."

"I feel that we must take every advantage in proven new techniques in the teaching field as well as in curriculum development. I believe we must have dynamic and flexible curriculum and must constantly strive to attract and keep the finest teachers available."

"I wholeheartedly believe that each child must be provided with a firm foundation in the basic subjects and the opportunity to develop to the fullest extent of his mental and physical capabilities."

"I SUPPORT the current practice of making use of funds provided by the government under the National Defense Education Act to strengthen our teaching in the science, mathematics and foreign language fields."

"I am keenly aware that the School Board is entrusted with the expenditure of public funds and, thus, is obligated to scrutinize each item in order to get the greatest value from the tax dollar. Through my attendance at the School Board meetings, I have become well acquainted with the problems that confront the district in its building program."

"I would welcome the opportunity to serve on the Board of Trustees and would conscientiously try to help provide the best education possible within our tax framework. I would continue my practice of attending meetings and symposia dealing with education, teacher utilization and allied subjects."

## Clark Speaks To Parents

The Del Rey Parent's Club will hold its next general meeting on Tuesday at 8 p.m. in the school library.

Jack Clark, principal of Glorietta School, will be the guest speaker. His topic will be the math program in the Orinda schools. Mr. Clark will explain the new method currently in use in the teaching of this subject. The public is invited to attend.

## Harry R. Clemons Joins School Board Candidates

Harry R. Clemons of 6 Norman Lane has announced his candidacy for the Orinda Union School District board of trustees, bringing to five the candidates who seek election on April 18.

Clemons is chairman of the Educational Advisory Council which recently completed a comprehensive review of the educational program in the Orinda schools. The E.A.C. is currently making a study of discipline, citizenship, character building and patriotism in the Orinda schools. Clemons stated that working with this council has given him a good understanding of the problems and accomplishments of the Orinda schools.

He said that one of his goals, as a member of the board of trustees, would be to ensure that the recommendations of the E.A.C. are carried out.

"IN GENERAL, the Orinda schools are doing a fine job," Clemons stated, "but improvements are needed to give our children the best education possible. The curriculum in most need of improvement, in my opinion, is the social studies program. U. S. history, U. S. geography, U. S. civics and democracy as a way of life should be stressed. Also, we must find ways and means of attracting, developing and holding superior teachers in the district."

The candidate has lived in Orinda for 11 years and has four children: Scott, 12; Carol, 10; Sandra, 8; and Gary, 4. He was raised in Oakland where his father was a public school teacher. He graduated from the University of California in 1939 with a degree in public administration. At the present time, he is management engineer of the Military Sea Transportation Service, San Francisco.

IN ORINDA, Clemons has taken part in community youth organization: Mt. Diablo YMCA, Orinda Fathers and Sons Adventure Group, Junior National Rifle Association and is former chief of Orinda Nation "Y" Indian Guides. He is a member of the Naval Reserve and past chapter president of the Reserve Officer Association.

"The school budget is \$1,600,000 this year," Clemons noted. "If elected, I will be a cost conscious representative of the taxpayers. I will use my training and experience to seek more economy and efficiency in school administration."

## Consolidation of Lower Courts Is Sought by Group

Continuing a search that began in 1951, the Contra Costa Taxpayers Association Friday asked the Grand Jury to study possible consolidation of the county's 16 lower courts.

In a letter to Foreman Douglas Beasley, Harry L. Morrison, the association's executive secretary, pointed to the two occasions on which the Chief Justice of the State of California, acting in his position as chairman of the state Judicial Council, has prepared recommendations for consolidation of municipal and justice courts.

# February Is 'Heart Month,' Canvass Of Local Business Firms To Begin

February will be Heart Month in Contra Costa County as the result of a proclamation signed by Joseph S. Silva, chairman of the Board of Supervisors.

Silva said only research can provide the new scientific knowledge through which the heart and blood vessel diseases eventually will be controlled.

He called upon the citizens "through their businesses, civic and service organizations and homes to give their earnest cooperation." The 1961 Heart Fund campaign of the Contra Costa County Heart Association will support the research, education and community service program of the American Heart Association, he said.

THE HEART FUND drive will continue throughout the month. It will reach a high point on Heart Sunday, February 26, when thousands of volunteers will call, door-to-door in the residential areas of the county for contributions from their neighbors.

During the first week of February, a "Heart Days for Business" will be held for the first time in many communities.

The Contra Costa County Heart Association, which will conduct the month-long campaign here, is a chapter of the American Heart Association, the nation's only independent voluntary health agency dedicated exclusively to combating the heart and blood vessel diseases.

The chairman signed the proclamation in the presence of Dr. Floyd Marchus, county chairman of the 1961 Heart Fund.

IT WAS announced that "Heart Days for Business," a canvass of local business firms and professional offices, will be conducted in this area starting Monday. Dr. Floyd B. Marchus, Heart Fund chairman, announced appointment of business chairmen in Walnut Creek, Lafayette and Orinda.

Walnut Creek chairman is Alden Mackay, 1101 Scots Lane. Mrs. Joan Hodgkin, 1727 Reliez Valley Road, will direct the campaign in Lafayette.

Joseph L. Sheaff, District Superintendent of Schools, will be the Orinda chairman.

VOLUNTEERS will canvass business and professional offices in business areas and shopping centers for contributions to the 1961 Heart Fund.

"Business executives have a special interest in the heart disease problem," Dr. Marchus said. "The heart and blood vessel diseases are a constant threat to business and industry, striking as they do in a person's most productive years."

He cited as one of the services of the Contra Costa County Heart Association the work of the Work Evaluation Unit.

A team composed of physicians and a social worker-vocational counselor conduct tests to determine a patient's work potential following a heart attack. This service is available upon physician's referral.

In many instances, the Work Evaluation Unit finds that a patient can resume his former job. If this is not recommended, advice is given regarding the best type of work suitable for the patient.

# Murphy Leaves \$200,000 Estate

Lafayette real estate broker, Vincent James Murphy, 44, left an estate valued in excess of \$200,000 according to a petition filed in Contra Costa County Superior Court.

Murphy's widow, Mary Juanita Murphy, 632 Burton Drive, stated the value as \$207,532 in her petition for a monthly allowance of \$750 pending probate of the estate.

ATTORNEYS Charles Williams, Lafayette, and John A. Bohn, Benicia, were directed by Superior Judge Wakefield Taylor to prepare the order.

## Soroptimists Hear Talk on Road Safety

Mrs. Rose Hawkins, winner of the Carol Lane Award for Traffic Safety, was speaker at the weekly luncheon meeting of the Soroptimist Club of Lafayette-Orinda.

"It all began when we moved out here to Lafayette and our children were confronted with the difficulty and danger of walking to school," said Mrs. Hawkins. "We were delighted with the feeling of 'country' with no side walks, curbs, etc., that we were used to in the city. We soon realized that the very things that delighted us were also hazards, and we became members of the safety committee of the Vallejo P.T.A."

Mrs. Hawkins became chairman of the Vallejo Safety Committee, and in 1958 Safety Chairman of the 32nd District of the P.T.A. "This Safety Committee meets with County Supervisors, the California Highway Patrol, County Traffic making it safer for the children on their way to school."

"Along Happy Valley Road, walkways have been cleared by property owners near Vallejo and Happy Valley schools as a result of the work of the Safety Committee. Sidewalks have been built in front of the schools upon recommendation of the committee and other agencies concerned," continued Mrs. Hawkins.

"A new subdivision ordinance was adopted in May, 1960, requiring that sidewalks and curbs be built in new subdivisions along main thorough fares which are within one-half mile of schools. Crossing guards have been provided at especially dangerous crossings, but more are needed."

In conclusion, Mrs. Hawkins said, "There have been many improvements made as a result of the work of people interested in the safety of children. It has been hard and slow work, and much remains to be done. The committee will continue to study and make recommendations to help insure the safety of all children on our streets and roads."

## KQED Manager To Speak

James Day, general manager of the bay area's educational TV station, KQED, will speak on TV as an implementation to teaching at the annual Fathers' Night of the Orinda Nursery School to be held on February 9 at 8 p.m. in the Fellowship Hall of the Orinda Community Church.

Mr. Day has been associated with KQED since it was founded in 1953 and produces his own program, Kaleidoscope. He is also chairman of the Governor's Advisory Committee on Educational Television and director of the Committee for Radio Free Asia. Refreshments will be served after the meeting by Mrs. Richard Weyeneth, assisted by Mesdames John Phillips, James Cunningham, Howard Dauphinee and Ken Doty.

## Hardy G. Roberts Is CIA Member

Hardy G. Roberts, vice president and controller of the Inter-mountain Express Company, was elected to membership in the Controllers Institute of America. The institute was established in 1931; it consists of controllers and finance officers from all lines of business.

## Art on Display At Pageant Hut Is Non-Objective

When Dorothy Giberson, author of "Echoing Wave," visited the Diablo Pageant of Arts Society's Art Gallery in the guest hut located in the Walnut Creek City Park, Civic Drive, she decided to do her Christmas shopping here instead of down the Peninsula where she lives.

This so she could make a second visit to the gallery and feast on its fare.

The upshot of Mrs. Giberson's visit was that the Peninsula Art Association, of which she and her artist family are members, are invading the gallery as guests with paintings which are nothing if not astounding.

This collection will be on view for two weeks, after which the society will present a poetry exhibit by Sue Friedman, Walnut Creek, and Bobby Blume, Orinda.

The gallery is open daily from 1 to 4 p.m., where capable volunteer attendants will display many fine paintings, etchings and serigraphs for your selection as purchases or rentals. Handcrafted jewelry, pottery, weaving and cards by expert craftsmen are also available.

## Dem Club Elects New Officers

Richard Bartis has been elected president of the Orinda-Moraga Democratic Club, succeeding Jack P. Hubner.

Other new officers are James Burchell, vice president; Mrs. Susannah Walters, recording secretary; Mrs. Arthur Pennebaker, corresponding secretary, and Lynn Casto, treasurer.

New officers were elected and installed at the club Inauguration Day dinner at Oak Springs clubhouse on January 20. Principal speaker at the dinner was Victor Ferkiss, member of the St. Mary's College political science faculty, who recently returned from a special government assignment in West Africa.

## Eugene Heckathorn Is President

Elected recently in New York as president of the Lutheran Laymen's Movement for Stewardship to the United Lutheran Church in America was Eugene S. Heckathorn, 128 Scenic Drive.

A Richmond chemical manufacturer, Heckathorn will serve a two-year term.

## Commissioner Re-Appointment Delay Viewed

County Supervisor Tom Coll said yesterday that the board's failure to re-appoint Central Fire District Commissioner Ralph Becker immediately on expiration of his term, December 31, is due to Coll's difficulty in finding time to perform routine checks.

Coll said that he and other supervisors normally conduct a routine check of the backgrounds of the fire commissioners before re-appointment, and he expects this to be completed next week.

Coll added that he assumes that this does not prevent Becker's or any other commissioner in the same position from acting in his capacity as commissioner, including voting on motions. But he added he was not sure on the legal part of it.

Becker is also president of the Contra Costa County Fire Commissioner's Association, and has been active in the county group, and fire district negotiations with employees during budget time.

Coll added, however, that in his knowledge, there has not been any similar case in the county where there was a carry-over fire commissioner for a month's period.

He denied that there is anything political in the situation. Becker was appointed by Ray Taylor, Coll's predecessor.

## Parents To Hear UC Professor

Dr. Joel H. Hildebrand, chemistry professor emeritus at the University of California, will speak on education at the regular Miramonte Parents Club meeting to be held Monday at 8 p.m. in the high school cafeteria.

New members are being welcomed and a special invitation is extended to parents of students arriving for the spring semester.

## Orinda Burglary Adds Term for Con

As a result of a complaint accusing Willard J. Wheeler, 52, of burglarizing the home of Frank A. Dunn at 4 Charles Hill Road, Wheeler was sentenced to a five year to life term on a count of first degree burglary by Superior Judge Martin E. Rothenberg.

This sentence will run concurrently with a term Wheeler is now serving at San Quentin.

**FIRE COMMISSIONERS** of the Orinda Fire District were all smiles as they started on a tour of the district facilities Saturday. The tour ended with smiles, too, as the commissioners found grounds, equipment and personnel in top shape. Pictured from left are Clarence Betz, secretary; Gilbert Earle, commissioner; Charles Langridge, president; Robert Atchison, Bert Dawson, commissioners, Chief Alan Winsor and Zach Montgomery, vice president.

## Home Rule Petition Drive Has Organizing Problems

Efforts of the Home Rule Committee to get their petition drive fully organized and all the volunteer workers into the field this week failed to materialize.

The committee has only six weeks in which to obtain approximately 7000 signatures for its petition calling for a vote on the question of incorporation.

The committee needs one quarter of the registered voters in the area as well as signatures of persons owning one quarter of the assessed land evaluation.

**THE COMMITTEE** believes the 7000 figures will be more than enough to bring the incorporation move to a vote. If needed, the election will be held in early summer.

The intent to circulate a petition on the matter was first filed with the Board of Supervisors in December. This leaves the committee only six weeks to obtain the necessary signers.

If they do not make the deadline they cannot file again for another year.

Committee leaders believe if they do not make this campaign a successful one, the proposed city of Pleasant Hill will never become a reality.

The signed petitions must be filed with the supervisors by March 18.

**GEORGE EDWARDS**, chairman of the petition committee, said it would be at least another week before the drive would be fully organized.

## Crime-Free Week For Local Area

Criminal activity in the area was practically non-existent in the last seven day period with the Sheriff's Office at Lafayette reporting only one theft.

Owners of the Co-op Market at 1510 Geary Road in Walnut Creek reported that a cyclone gate that separated the store's parking lot from neighboring church property was taken Sunday night.

The gate, valued at \$40, was three feet wide and five feet high.

Mrs. Albert Dawson of 620 Lucas Drive, Lafayette reported to the Sheriff's Office that one of her two Beagle dogs had been poisoned while she was away last Monday afternoon.

She said she came home to find the two dogs had been released from the backyard.

A short time later, one of the dogs became very ill. A veterinarian said the dog had eaten strychnine.

## Chinese Classical Brush Painting Classes Slated

Sponsoring members of the Orinda Art Center will have the opportunity to learn the technique of Chinese Classical Brush Painting under the expert instruction of Artist Linda Chang, who will give a series of six lessons starting February 14.

Miss Chang holds degrees from St. John's University of Shanghai and the University of California where she received her master's degree in art in 1951. She has lived in the United States since 1948 and is married to Berkeley architect Jack Koo.

Her water color and ink paintings have been exhibited at the deYoung Museum in San Francisco and in numerous other art galleries including showings in Hong Kong, New York, Seattle and Los Angeles.

**AT PRESENT**, Miss Chang is instructing with the University of California Extension Division, on the Berkeley campus.

The Sponsors' Class requires no previous art training and will be held on consecutive Tuesdays from 10 to 11 a.m. There is no enrollment fee for sponsors and those wishing to attend may call Mrs. Ralph Hickcox, chairman of Adult Classes, CL 4-5402. Those who are not sponsors of the Art Center but interested in taking this course, may contact Mrs. Shepard Jones, membership chairman, CL 4-4652, for details.

The sponsors' class in Oil Painting and Art Appreciation is again being held on Mondays at the home of Artist Doris Fraser, 116 Glorietta Boulevard, Orinda, and again, anyone interested is asked to phone one of the above listed numbers.

## Court Stops Dollar Ranch Annexation; But Supervisors Final Say Is Feb. 28

Walnut Creek's annexation of the Dollar Ranch and the Dailey properties has been stopped by a ruling by Judge Wakefield Taylor on John Fraser's writ of mandate petition, but the big decision is up to the Board of Supervisors, February 28.

At that time, they will hold a protest hearing on the proposal to incorporate Alamo, following the Alamo School District boundaries, and including some 1040 acres of the Dollar Ranch and portions of the Dailey annexation.

Representatives of the Stanley Dollar family, the sole owners of the ranch area proposed for inclusion in the incorporation, are expected to object.

The supervisors may then determine what the actual boundaries of the proposed incorporation will be. Exclusion of Dollar Ranch and/or Dailey land at that time would change the picture.

There have been a series of applications for adjustment of the incorporation boundaries by Fraser, but rulings by District Attorney John Nejedly have returned the application to its original boundaries, and these will go to the supervisors.

Judge Taylor's ruling asserted that the city's annexation of the large portion of Dollar Ranch overlaps on the Alamo incorporation, and the incorporation takes precedence.

He referred to a similar case involving two other California cities, Garden Grove and Santa Ana.

That case was decided upon the conclusion that a small overlap of the incorporation boundaries on an annexation area being previously does not invalidate the entire incorporation.

In this case, the City of Walnut Creek, while not arguing that the Dollar and Dailey annexations came before the incorporation, did argue that the incorporation also overlapped the Cortese annexation, which came first chronologically.

## Drawings Accepted for \$4 Million PH Hospital

A major step toward construction of a \$4 million hospital in Pleasant Hill was taken by trustees of the Martinez Community Hospital last week when they formally accepted drawings for the structure from Charles Luckman Associates of Los Angeles.

H. D. Rampoldi, M.D., chairman of the hospital's board, accepted the drawings from James S. Moore, vice president of the architectural firm which designed the \$12 million Martinez Veterans Hospital.

Moore was accompanied to the meeting by Don Anderson, member of the Oakland architectural firm of Confer, Willis and Anderson which is associated with Luckman in both of the local hospital projects.

The 160-bed hospital, to be located on a 25-acre site near the junction of Grayson Road and Taylor Boulevard, will have 84,000 square feet of space in a structure of unusual beauty and utility.

The nursing unit will occupy four floors of a circular building designed for maximum efficiency of operation. Administrative offices will be on the ground floor of the circular building and other units, including surgery, will be located in a compact rectangular building connected with the circular structure and an adjacent elevator tower.

Moore said the design provides for maximum flexibility and will permit expansion of all units without heavy construction costs.

The design is similar to that of Valley Presbyterian Hospital at Van Nuys which utilizes the circular scheme and which, by virtue of centralization of nursing and other services, permits economical operation.

He added that the estimated cost of construction under the accepted design will be about \$17,500 per bed, whereas recent hospital projects in California have run upward from \$22,000 per bed. The Luckman firm, he said, was aided in its schematic studies by recent research in hospital construction by the Yale School of Public Health.

## Lunch Is on The Table . . .

School lunch menus for students attending schools in the Orinda Union School District next week will be as follows:

**Monday**—Hamburger on buttered bun, sliced tomatoes, buttered peas and apricots.

**Tuesday**—Chili beans, corn bread, green salad, one half pear.

**Wednesday**—Chip steak, boiled parsley potato, cole slaw with pineapple, raisin bread.

**Thursday**—Spaghetti, french bread, green salad, orange juice bar.

**Friday**—Macaroni and cheese, buttered green beans, carrot stick and cherry cobbler.

Milk is served with all meals.

**CHINESE CLASSICAL** brush painting, illustrated here by artist Linda Chang, will be taught to sponsoring members of the Orinda Art Center in a series of six lessons starting February 14.

## Bradley Retires From Shell Development Co.

Theodore F. Bradley of Orinda, head of the plastics and resins department in Shell Development Company's research center in Emeryville, retired recently after 15 years with the company.

Bradley joined the Shell research staff in 1945 as head of the coating materials department. He assumed his present post in 1955. Prior to this he was a major in the Technical Division of the Chemical Warfare Service.

He has been associated with the chemical industry since 1920. He holds over 100 United States and foreign patents pertaining to synthetic resins, coating compositions and their chemical intermediates and is the author of many scientific publications.

In 1946, he was Western Reserve University's lecturer on drying oil chemistry in their Frontiers of Chemistry lecture series. The next year the Chicago section of the American Chemical Society chose him "one of the ten ablest chemists and chemical engineers now working in the field of paint, varnish and plastics chemistry."

In 1950, the highest honor in the paint industry was awarded to Bradley when he was selected by the Federation of Paint and Varnish Production Clubs to deliver the Joseph J. Mattiello Lecture.

**IN ADDITION** to the American Chemical Society, Bradley is a member of the Federation of Paint and Varnish Production Clubs, and the Armed Forces Chemical Association. He has served the latter group as president of the San Francisco chapter. He is a member of the organic coatings sub-committee of the Industrial Chemistry Committee of the National Research Council and is a member of the Advisory Council of the U.S. Army Chemical Corps.

## Lt. Robinson in Army Ranger School

Army lieutenant, Ronald M. Robinson, son of Mr. and Mrs. Francis C. Robinson, 18 Van Tassle Lane, Orinda, is scheduled to complete the nine-week ranger course at the Infantry School, Fort Benning, Ga., March 8.

Robinson is being trained in the skills and techniques of fieldcraft survival, mountain, jungle, swamp and waterborne operations and to fight under extremely hazardous combat conditions.

## Miramonte Mirror

## Seniors Take To Skis; Eventful Trip Is Success

**By SUSAN COX and CAROL PEDERSEN**

On the morning of January 28, Miramonte seniors gathered together to enjoy fun in the snow. About 4 a.m. was the rising time last Saturday morning for 114 excited Miramonte seniors.

With much enthusiasm the groups gathered one by one in the night's darkness at Shell station in the Village to wait the arrival of the busses which were to take them to their destination at Sugar Bowl.

One early riser, Robert Boyle, became host to Jim Hackett, serving him a deluxe breakfast. Among the group of seniors were the usual late arrivals who caused a complete panic among those whom they were to pick up. Such a person was Andy deGrassi.

**IT SEEMS** the alarm clock missed the beat and Andy slept on to 5 a.m. which was departure time for all busses, but Sharon saved the day and Andy finally made it to the busses. Also Bob Welch was observed making like a track star running with shoes in hand to catch the bus at the last minute.

When all three busses finally arrived at Sugar Bowl after a long six hour drive the frolicking lot were faced with two drastic choices as to how they were to get across the valley to the slopes.

One could either take the Magic Carpet, which was a small compartment that sat four people and slides gaily along a small cable about umpteen hundred feet above ground level, and gave one the feeling he was a monkey flying through the trees, or one could walk the valley floor, toting skis, poles, tobaggans, or whatever other goodies of such great importance that constitute the necessary musts on any ski trip.

**AFTER ALL** decisions were made and everyone had arrived in style on the other side of the great valley a mad dispersion was made by all to the slopes.

Such non-conformists as Jim Denning, Pam Dermit and Bill Caldwell preferred the thrills of a toboggan to the terror of skis. Some find skiing discouraging, especially when they try the chair right Pam?

Blue racing jackets worn by the better male skiers were spotted every now and then as they streaked by on their way down from Mt. Lincoln or Disney.

**THE WILLING** and not able members of the basketball team provided daytime entertainment for all non-skiers with a rousing poker game in the lodge. At the end of the day it was Miramonte who made the last exit from the slopes amid the coaxing of the Ski Patrol, who protested that they wanted to close the chair.

The bus trip home was just as lively as the one coming with the exception of a few poop-outs who simply had to catch a few undisturbed minutes of shut-eye. After what seemed like absolute ages and a million stops, the roaring busses finally landed in Sacramento where all ravenous appetites were soon appeased with luscious roast beef sandwiches.

**THE HAPPY** but tired seniors arrived in Orinda about 10:45 and after much confusion of skis, poles and flying debris of all kinds, departed in peace to the final resting place for a good night's rest!

A few of the tired senior participants were Gary Ann Hughes, Joann Hall, Janet Lucas, Sus Campbell, Ellen Van Voorhis, Marilyn Brown, D'ann Christie, Penny Humphreys, Pat Barnes and Walt Altorpher, Doug Hudson, Don White, Jonathon Jensen, Phil Stevens, John Rennie, Peter Read, and all agreed that every one had a wonderful time.

**THE BOBOLINKS**, along with the Vireos and the other units from other schools, will present the all unit spring formal, titled "Twilight." These five units work for the Mt. Diablo Therapy Center to raise money. This dance will be held March 4, so plan now and mark your calendar for this big occasion, just ask for a ticket from a member of the Bobbies or the Vireos and they will be glad to assist you.

Also the Alathans have been selling calendars, so if you don't have yours, get one today!

**THE END** of all hard studying is finally over for Miramonte and all are now looking forward to the next quarter with hopeful thoughts.

Miss Enid Hennessy had the chance of a life time to see the new President at the Inauguration Ball, but due to bad weather in Washington she was unable to attend. She now lives and attends college in Virginia.

It takes a good pair of knees to be able to wear knickerbockers. Our Scots ladies showed true form.

# Come on Kids, It's Dance Time . . .

**DANCING** to records in the Acalanes gym after games, is a fine way to work off excess excitement. These youngsters bring their own favorite records, fill up on soft drinks and fun.—Photo by Mike Lincoln.

## 'Let's Go To The Dance' Is After Game Motto

When Acalanes students are seen swarming away from field or court after night games, they're not headed for trouble, neither are they headed for an anti-climatic evening at home.

These youngsters are making a bee line for Acalanes High School and the after game dances held for members of the Acalanes student body.

**SPONSORED** by the Acalanes Parents Club and under the chairmanship of Mrs. Ledru Frank, the dances draw an average of 280 boys and girls. Admission is easy, the only requirement being a student body card and 25 cents. Everyone pays, too. There are no special privileges for pom pom girls, members of the team, or "wheels" on the campus.

Mrs. Frank is assisted at the dances by four adult couples and for the students' production there are always three sheriff's deputies on duty. Soft drinks served at the dances are purchased through the school and sold to the youngsters for 10 cents a drink. Once the school is reimbursed, any extra money is used for the student body.

**DANCE MUSIC** is provided by records, the kind that teens like to hear, the kind that set young feet to dancing because the students themselves bring the records.

One student is put in charge of handling and playing the records. This way the records are safe and returned to the owners at the end of the dance. With so many contributing a favorite record for the evening, the music is usually up to date and currently popular.

Rules for those attending the dances are uncomplicated and fair. If the game is played at the end of the dance, the starting time is half an hour later, with the dance ending at 12:30 a.m.

When games are played away from home, the students are allowed an hour to get to the dance from the game. Anyone coming after the allotted time, finds the doors closed.

**WANDERING** in and out of the dance is not permitted. Once a student leaves, he may not re-enter. There have been no serious problems at the dances, even

**AFTER GAME** dances at Acalanes High School, sponsored by the Parents Club, give everybody an opportunity to re-hash the game while enthusiasm still runs high.

everyone is too busy having fun. Mrs. Frank, and the adults who have assisted her, say they have as much fun as the youngsters. Mrs. Frank described the students as "really swell kids."

Acalanes parents, as well as the youngsters wanted to have the dances and the opinion is close to unanimous when it comes to calling the dances an unqualified success.

As for the students, drop in and take a look some Friday night after game time, you'll wish YOU attended Acalanes High.

## Ambassador Is WC Resident

Former United States Ambassador to Finland, Edson O. Sessions, has become a temporary Walnut Creek resident.

Sessions, who resigned his ambassadorial post a month ago, has purchased 85 acres from Mrs. Blanche Pope Neal, off Pleasant Hill Road, Lafayette.

While construction of their home is under way near Acalanes High School, Sessions and his wife are living in an apartment at 1608 Oakland Boulevard.

Their new home will be a California ranch-type house.

Sessions, who is a graduate of Harvard, operated a management engineering consulting firm in Chicago until 1953, when he left business to move into government service with the Eisenhower administration.

He first served as a director of foreign aid and later was appointed deputy postmaster general.

After that Sessions took the post of ambassador to Finland, where he was in the diplomatic branch more than two years. During that time he also viewed the troubled area of Laos and other troubled nations.

Sessions acquired the Neal property last year before completing his foreign assignment. The reported price for the property is around \$120,000, with a \$70,000 Hillsborough residence as part payment.

Ray I. Whittemore, Walnut Creek realtor, handled the transaction.

**Teacher's Course**

"Foreign Language for Teachers," a three unit course in conversational Spanish, will be given Tuesday evenings from 7 to 9:45 p.m., beginning February 24 at Pine Grove Elementary School.

Mr. Peter Messner will continue his work with the teachers in the use of current spoken Spanish and its application to the elementary school instruction.

### LEGAL NOTICE

**RESOLUTION AND NOTICE OF INTENTION TO ABANDON BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA.** In the Matter of the Proposed Abandonment of Fourteen-Foot-Wide Strip along the southerly line of Mt. Diablo Boulevard.

IT IS HEREBY RESOLVED that the Board of Supervisors of the County of Contra Costa, pursuant to the provisions of the Streets and Highways Code, declares its intention to abandon the hereinafter described right of way in the County of Contra Costa, State of California: A fourteen-foot-wide strip along the southerly line of Mt. Diablo Boulevard, being the northerly fourteen feet of Lot 1, as shown on the map of Friendship Farms, filed November 7, 1941, in Map Book 25 at Page 857, together with the abutters' rights of access, which were previously acquired along this strip.

BE IT FURTHER RESOLVED, that this matter be referred to the Planning Commission for report prior to the date herein set for hearing.

BE IT FURTHER RESOLVED that the Board does hereby fix Tuesday, the 14th day of February, 1961, at ten o'clock a.m. in the Chambers of the Board of Supervisors, Hall of Records, Main & Court Sts., Martinez, California, as the time and place fixed for hearing, at which time or on the date to which the hearing is postponed or continued, the Board of Supervisors will hear evidence offered by any party interested. If the Board finds from all the evidence submitted that all or any part of the hereinbefore mentioned right of way is unnecessary for present or prospective public use, the Board will make its order of abandonment. The County Clerk is directed to cause notice of said proposed abandonment to be published in the Lafayette Sun, a newspaper of general circulation published in the County of Contra Costa, which this Board designates as the newspaper most likely to give notice to persons interested in said proposed abandonment, for at least two weeks prior to the day herein fixed for hearing; and it is further directed to be caused to be posted conspicuously copies of this resolution along the line of the right of way proposed to be abandoned.

The foregoing resolution was made on the motion of Supervisor Coll, seconded by Supervisor Kenny and adopted by the following vote of the Board:

AYES: Supervisors—James P. Kenny, Mel F. Nielsen, Thomas John Coll, Edmund A. Linscheid, Joseph S. Silva.

NOES: Supervisors—None.

ABSENT: Supervisors—None.

I HEREBY CERTIFY that the foregoing resolution was duly and regularly introduced, passed and adopted by the Board of Supervisors of the County of Contra Costa at a regular meeting held on the 10th day of January, 1961.

# PTA Presents Fashion Flickers

The PTA of Lafayette Elementary School will present a program of unique interest in the auditorium of the school on Wednesday at 2:30 p.m. Called "High-Lights of PTA," the program casts a nostalgic eye over the events of PTA from the year of its founding in 1897 up to the present day.

As Barbara Doane, program chairman, narrates each "High-Light," it will be simultaneously dramatized by the appearance of school mothers modeling fashions of the period.

**EVERY ERA**, from whalebone

to zipper, will be represented. As the memorable PTA events of the past give way to those nearer the present, so the old-time street dresses, ball gowns, nighties and gym suits will be succeeded on the stage by their more modern counterparts—sack dresses, sheaths, suits, formals, bermudas and clam-diggers.

There will be several "surprise" outfits, brought into the light from trunks unpacked for! these many years, giving off the faint, musty whiff of age and mothballs, and—above all—of memories.

Carmen Turre, music chairman, will assist this delightful look into the past by playing selections contemporary with each particular period.

**LOOKING RATHER** different from their usual selves, the mothers who will model the fashions include: Thelma Cechinni, Evelyn Steding, Muriel Haley, Helen Helm, Esther Poust, Mary Nesbitt, Shirley Medau, Caroline Young, Jane Whittaker, Jean Emory, Lee Quinn, Lori Kennedy, Evelyn Ravazza, Dorothy Stevens, Juanita Randall, Eleanor Chase, Marion Gard, Marion

Martin, Norma Radcliffe, Carme Ferguson, Marion Volberg, Anita Merkel, Jo Eldridge, Lois Hamilton, Rose Bonhag and Ruth Dolgin. Replete with frills, yokes, pleats and gussets, from fur-below the horizon of today's styles will come this fantastic parade of feminine foibles in dress.

**IN A MORE** serious mood, the Founders' Day and life membership chairman, Mildred Lloyd, will welcome past presidents and life members. Mrs. Lloyd will also present two new life members.

Those who are to receive them will not be known until the actual moment of presentation, the awards will go as usual to two members whom the awards committee considers to have made outstanding contributions to the work of the PTA unit at Lafayette School.

**DECORATIONS** for the fashion tea have been arranged by Marland Schrauth, and provision of the refreshments to be served has been the responsibility of Nadine Harrison and Eleanor Hinman, tea chairmen. A babysitter will be on hand to care for youngsters of mothers who need to bring

### Scouts Earn Eagle Badge

Two boys from Explorer Post 223 were honored at an Eagle Court of Honor on January 23 at Stanley School.

Jack Funk and Bart Rocca, both 15 and students at Acalanes high school, received their Eagle badges from Robert Calvert, Jr., manager of the Student and Alumni Placement Center at the University of California.

The presentation of colors ceremony was led by Senior Patrol Leader Duncan Dickson and Assistant Senior Patrol Leaders Bart Rocca, Steve Scott and Bob Stoops. Jim Elliot was the bugler.

**THE PLEDGE** of allegiance was conducted by Jan van Loben Sels, junior assistant scoutmaster. Joseph E. Lahey, advancement chairman, opened the Court of Honor.

The Moluk Chapter of Order of the Arrow presented an Indian dance. The boys who participated were Shelton Amos, Arnold Hollander, Jeff Jacobson, Bill Moler and Lowell Mercer.

## [Go to Church Sunday]

### Christian

The Reverend Darwin A. Mann of the Lafayette Christian Church, 3419 Golden Gate Way, has chosen "Our Heritage" as his sermon topic Sunday.

The first of a series of presentations by lay people for the building fund campaign will be given by Larry Eslinger, representing the young people.

Worship services begin at 10 a.m. with church school classes at 9 a.m.

The CYF will discuss the prophet Ezekiel at their 6:30 p.m. meeting. Reservations are being taken for the CYF snow trip to Sugar Bowl February 12 and 13.

### Covenant

Reverend Rudolph, West Coast Director of Evangelism, will conduct the 11 a.m. worship service at Hillside Covenant Church, 2060 Magnolia Way, Walnut Creek.

Sunday school classes are held at 9:45 a.m., with classes for adults and children. Reverend William C. Mays will speak at the 7 p.m. church services on "The Grace of Forgiveness." The Lord's Supper will be observed.

A prayer meeting and Bible study hour is held at 7 p.m. each Wednesday.

### Christian Science

Why spiritualism of thought is necessary to individual growth and happiness will be brought out at Christian Science church services Sunday.

Christian Science churches are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and at the corner of Grant and Park Streets, Concord.

In Pleasant Hill services are held at Kahrs Avenue and Boyd Road and in Lafayette at 3422 Mt. Diablo Boulevard.

### Assembly

Rev. Glen Lambert, pastor of the Lafayette Assembly of God, located in the Suburban Shopping Center, 3400 Mt. Diablo Blvd., announces a guest speaker.

The Rev. R. A. Wilson, assistant superintendent of the Northern California and Nevada Assemblies of God will be guest speaker at the 11 a.m. service.

Rev. Wilson is also the director of the District World Missions Department.

Pastor Glen Lambert will be preaching in the 7 p.m. Evangelistic service.

### Presbyterian

"Let The Church Be The Church" is the sermon topic Dr. White has selected for Sunday. The ideas is taken from the parable of Jesus "The Kingdom of God is like leaven which a woman took and hid in three measures of meal till all was leavened."

The Moraga Presbyterian Church is meeting every Sunday at 11 a.m. in The Old Moraga school building, and the nursery through the junior departments of the church school meet at the same hour.

### Episcopal

St. Anselm's Episcopal Church, 682 Michael Lane, will observe Sexagesmia Sunday with holy communion at 8 a.m.; morning prayer, sermon, church school and confirmation class at 9:30 a.m.; morning prayer, holy communion, sermon by the Rev. Clarence Stacy, at 11 a.m. and evening prayer at 7 p.m. Mid-week service is held on Wednesday with holy communion at 10 a.m. and healing service at 10:30 a.m.

This afternoon at 4 the acolyte training class will meet in the parish hall. Sunday evening the YPF meets at 6 p.m. and the Alpha Omega group at 7 p.m. in the church.

### Church Members Hold Meeting

Members of the Lafayette-Orinda United Presbyterian Church, 49 Crest Road, held their annual congregational meeting on January 15, for the purpose of electing lay officers of the church and approving the department reports and proposed budget.

Newly-elected elders of the church from Lafayette are James Workman, Harold Dornisfe, Harry Sommer, Sam Groff, Joseph Horsley, Roy Thompson and Charles Stevens. Lloyd Bernard, from Orinda, will also serve as an elder.

THOSE ELECTED as deacons from Orinda are Grace Hanks, Thomas Winburn and Francis Tobias. Lafayette residents elected as deacons are William Slem, William Hobbs, John Clark, Janet Jones, Grace Raschke, Dorothy Deakins and John Link.

William Carl Thomas serves as pastor of the church, assisted by Leonard Weeks, director of music, and W. Benson Mack, director of Christian Education.

### Methodist

"Your Credentials, Please" will be the sermon topic of the Reverend George E. Berry at the Lafayette Community Methodist Church, 955 Moraga Road, this Sunday.

Morning worship services are held at 9:30 and 11 a.m. Church school classes for all the family are at 9:30 a.m. Nursery care is provided during both worship services.

The Intermediate Methodist Youth Fellowship (seventh and eighth graders) meet at 7 p.m. at the Skillman home, 888 Solana Dr. The Senior Methodist Youth Fellowship (high school) meet at 7 p.m. at the church.

### Episcopal

In celebration of Youth Week, the boys of St. Stephen's Episcopal church will take part in all three services on Sunday, 7:30, 9 and 11 a.m., when holy communion will be administered, and the Reverend Melvin Brown will preach the sermons in his capacity as head of St. Stephen's youth groups.

At all services, Epistolers and ushers will be the boys of the congregation of St. Stephen's. Members of the Episcopal Young Churchmen of high school age will meet at 7 p.m. in the church undercroft.

Tomorrow, the Bishop's Ball will be held at 7:30 p.m. at the Leamington Hotel in Oakland. The gala is for all young people of the Diocese. Men of the Brotherhood of St. Andrew will also meet on Saturday evening at the church.

### Lutheran

This Sunday at both worship services at Shepherd of the Valley Lutheran Church, 433 Moraga Way in Orinda, there will be the service of holy communion, with Rev. Hidy speaking on the subject, "The Lord's Supper."

Sunday school classes are held for all age groups and the opening service for Sunday school is at 9:30 a.m.

Sunday evening the Luther League will go to the Salem Home in Oakland to conduct devotions. Meditations will be by Brad Peter and Dan Winthers.

### Community

Youth Week will be observed in the Orinda Community Church, with members of the Senior Pilgrim Fellowship conducting the services at 9:30 and 11 o'clock. The Pilgrim choir will sing "Lead Me Lord" by Wesley at the first service and the Sanctuary will sing "To Thee We Sing" at the later hour.

Church school classes for 3-year-olds through the eighth grade will be held during both services. Baby care will be provided.

Bible classes will be held at the church Wednesday, 9:30 a.m. and 1:30 p.m.

**BEGINNERS** Merle and Jack Saunders are just a few of the many Orinda folk who square dance the second and fourth Mondays of every month at the Pine Grove School from 7:30 to 10 p.m. Instructor Jack Clark, left, conducts the classes for beginners through advanced, which are sponsored by the Orinda Union School District's adult program.

### Baptist

"The Power of Anxiety" will be the sermon topic of the Rev. Alan D. Southwell at the 11 a.m. worship service of the Moraga Hills Community Baptist Church, located one-half mile northeast of Rheem Center on Moraga Road.

Sunday church school for young and old begins at 9:45 a.m. The month of February is missionary emphasis month in the church school. The adult class will be led by Dr. and Mrs. Elmer Fridell, retired missionaries from Japan.

"A Night in India" will be the theme of the missionary dinner at 5:30 p.m. Sunday. John and Cora Sparrock, who last year toured the missionary fields around the world, will speak and show slides of India and Hong Kong. The nursery will be open for those who need it. Adults, 85 cents; children, 50 cents; maximum of \$2 per family. Call DR 6-5306 for reservations.

### Suburban

This Sunday at the 11 a.m. worship service of the Suburban Bible Church the Rev. Gray Lambert will speak on the subject, "Behold the Lamb of God." At the same hour hold communion will be served and special music will be provided.

At 11 the church also provides an extended church school session for children from the nursery age through the sixth grade.

At 10 graded Bible classes are available for children of all ages as well as adults. On Sunday afternoon the Suburban Youth Fellowship meets at 4:30, at which time the newly elected officers of the group will be officially installed.

The church presently meets at the Veterans' Memorial Building, 3499 Mt. Diablo Blvd.

Nursery facilities are available at all regular services.

### Baptist

Sermon topics announced by Rev. Bruce H. Parker for the worship services this coming Lord's day at the First Baptist Church of Orinda-Lafayette are as follows: "A Changeless God" at the 11 a.m. service and "Mighty in the Scripture" at the 7:30 p.m. meeting.

Other Sunday services include Sunday school at 9:45 a.m. and children's services held during the morning worship hour. Nursery care is provided during Sunday school and the morning worship service.

Prayer meeting and Bible study is held each Wednesday evening at 7:30 p.m. in the church.

## It's Weather! Sunshine or Rain, Someone Is Happy

By YVONNE MAUZEY  
DR 6-4083

Sunshine! Wasn't it beautiful the other day. This goes to show the best things in life are free. We don't appreciate the sun until we have been fog bound for a period of time. Then the sun is like a priceless diamond. Even though it has been raining the sun has been shining through and is much nicer than the cold foggy days.

Maybe this rain will bring us warmer weather. At least the farmers have had their prayers for rain answered. This had been a very dry year up to now and the rain was needed very much. I hear Frank Sanders is singing "Happy Days Are Here Again," since the rain.

**MORAGA** Ranch Swim Club had a membership meeting recently. They had a good turnout in spite of the rain. One-third of the signups for the pool have already paid their \$350. The sooner all of the checks are in the sooner the building will start. The club officers informed the public building should start the middle of February and be finished in May if all signups have their money in near to the first of February.

Unpaid memberships will prolong the starting and finishing dates of the pool. The next 25 pool memberships will be sold for \$375, the balance for \$400. Get your memberships now to save money. You will be wanting to swim when summer comes and be sorry you aren't a member.

**THE WOMEN'S** Republican Club of Moraga Valley met recently and elected their officers: Mesdames Charles Merlone, president; Harold C. Bate, vice president; John Taylor, recording secretary; William Ranska, corresponding secretary, and R. H. Kelly, treasurer. Committee chairmen were also elected. The club has elected to meet four times a year until membership is built up.

Berta Cunningham, who is handling publicity for the club, informs me their membership tea date has been set for March 14. The by-laws for the club were adopted and passed at their Thursday morning meeting. They will be approved in February at the big meeting in San Mateo.

A cocktail part for Alice Legant, past resident of Moraga, was held at the Gleuck home at 127 Donald Drive. The party was held December 31, with 40 guests present.

**NEW SCHOOL:** Mr. Toll states there are two possibilities for the start of the fall semester. All the children in the Rheem area could go to the Rheem School and all children in the Camino Pablo area go to the C. P. School. There would be kindergarten through eighth grade in each school.

The other possibility would be to use Rheem School as a kindergarten through fourth or lower grade school, so all books and equipment could be utilized in one place. Lower grade playground equipment is already installed at Rheem.

**THE CAMINO** Pablo School would have grades five through 8, keeping the library intact for the full advantage of the upper grades. Mr. Toll has drawn up charts of the advantages and disadvantages of each possibility, and he favors the latter as having more advantages and of keeping the limited amount of equipment where the most pupils can use it.

The estimate of grade school children per home in Orchard Dell are 1.27 and .82 in the Rheem area. Counting the unoccupied homes this should add an estimated 80 students to the two grade schools. Using a conservative 60, this would add five students to each class.

The school now has a ball diamond estimate of \$450 for pump and sprinklers and plastic pipe. This estimate does not include wiring, transformers, meter, top soil or grass seed. We will have a price that is much higher or will need a lot of volunteer help from the parents. This layout and estimate are by Jacuzzi.

**CHARLES TOLL**, our principal, and Mrs. Freitas, the sixth grade teacher, were given awards by the Diablo Valley Area Council of Girl Scouts of the USA. The certificate was given in grateful appreciation for interest in Girl Scouting. The meeting was held Saturday at the Diablo Valley Country Club. There were 350 Girl Scout leaders in attendance. There were 10 to 15 awards handed out in this morning program. The group had a speaker, elected officers, and gave out the awards.

Trudy Hoover accepted the award for Ruth Freitas as Ruth was teaching. Trudy and Joan Latter presented the award to Mrs. Freitas the next morning at school. Mrs. Freitas, as you know, started the scouting program in Moraga in the old school when she was teaching grades four through eight and continued to be a Scout leader until this year, when health had interfered.

**I HEAR** a gourmet club is being started in Orchard Dell. Neil Prescott is giving the first dinner which is to be all authentic Indian dishes. This should be interesting collecting recipes and menus for foreign dinners.

Reverend Alan Southwell of Moraga Community Baptist Church received the Distinguished Service Award given by the Lafayette Junior Chamber of Commerce. The award was presented at the Senior Chamber of Commerce annual banquet, to Betty Southwell, who received the award for her husband, who was out of town.

### St. Perpetua

Rev. John P. Quinn, pastor of St. Perpetua's, announced that the annual Lourdes Novena will begin in St. Perpetua's Church this evening and will continue until Saturday evening, February 11.

The Novena will be preached by Father Eugene Toner, S.J. Devotions will be at 8 p.m.

## Dot Shally Wins At Hi Fashion Fabrics

Dot Shally, a senior at Miramonte High, this week learned she was the winner of a \$374 Elna Automatic sewing machine. Miss Shally is one of many high school girls in the area who purchases her sewing project supplies at Hi Fashion Fabrics in Lafayette.

Mr. and Mrs. Nick Reckas of Hi Fashion Fabrics have a program to help sewing students with their school projects. Every high school student, who brings a slip signed by her high school sewing teacher, receives a 20 per cent discount on her first school sewing project.

**AFTER** the initial project is complete, the girls receive a 10 per cent discount on materials for continuing school sewing

projects. Mrs. Reckas has taught sewing in Albany schools for 18 years and is interested in assisting young people in this field. Both the Reckas said, "We are always willing to help students in any way."

At the end of each semester, girls who have participated in the program at Hi Fashion Fabrics are eligible to win a sewing machine. Miss Shally, who won the machine for the first semester, has taken clothing at Miramonte for two years and home-making for one.

**SHE LEARNED** to sew from her Grandmother, and makes most of her own clothes.

# Sandpiles, Bulldozers, and Yes, Dynamite Caps Even...

Raising children is always a problem. It seems that you can almost expect the usual quota of broken arms, collar bones and even a leg or two—with the passage of time.

But sometimes children come into contact with things that are more deadly than a rough and tumble game of football, or a big elm tree.

Falling into this classification are such things as dynamite caps and construction machinery.

Unfortunately, we have plenty of both in our neighborhood, and a wide variety of other "interesting traps," too. A FEW WEEKS ago we had pictures and stories about a couple of Walnut Creek youngsters who became interested in a cement company's sand and aggregate pile.

One of the youngsters was rescued just in time—before he was completely buried in the soft, shifting sand.

He was lucky. You might also have read the story about the youngsters in Orinda who were playing with dynamite caps which they had "gotten" from one of the tunnel projects in that neighborhood.

THEY HAD TAKEN the caps—which are extremely dangerous—to school with them.

Again, fortunately, nobody was hurt. And in every one of our communities we have heavy construction projects.

There are sewer and water lines being laid, earth moving in progress, and tempting fields for exploration... areas where young children simply don't belong.

Houses under construction are no place for youngsters to play either. Oh, certainly, we all did things like this when we were youngsters. But think twice about the children you have read about—or perhaps even known—who have been injured "doing just what we got away with when we were kids."

THERE ARE PLENTY of constructive things youngsters who are blessed with our beautiful countryside can do without endangering themselves in this way.

The trouble is, of course, that the area is going rapidly and there are plenty of temptations for children to fall into.

Have you talked to your children about this problem? Do they know the danger of dynamite caps? Do they know that they should not play around heavy construction machinery—especially when there is nobody there.

We remember a youngster who was killed a few years back when he actually started a piece of heavy machinery. And naturally, he couldn't control it, but it was too late then...

How do you feel about this around your house?

### We Like It Here... Where Will I Wind Up? Can't Make My Mind Up

By MARIE MONAHAN

EVERY YEAR about this time, I feel I need a change of climate... I notice that as I grow older.

My travel plans get bolder as I peruse each travel folder.

I READ BOOKS, I go to Cook's... (The clerk just gives me dirty looks!)

I seek details of every tour that dangles like a tantalizing lure.

I COME AWAY with an array—of places I should get away to—I scheme & dream of Comes The Day when I could jet away to—

Ah... countries that are topical... tantalizing, tropical.

FOR A FLING at life Tahitian—Or living like a Polynesian!

I'd tuck a flower in my hair & go around, well, rather bare.

I'd swim in sleepy blue lagoons—

Mainly live on macaroons & gab with all the gay baboons who pick for me a coconut & throw it at my cute thatched hut.

I'D FLY TO Fiji & Samoa, learn to Hula, sing Aloha... Places like Moorea & Papeete—

For me, right now, would be a treat!

IN SOUTH AMERICAN, say Caracas... I'd learn to play at the maracas...

Calypso dances I yearn to do & I might even take a turn or two at beating on the Bongo drums...

Before I dash to meet my Congo Chums where I would do safari hitch in every splendid tailored stitch, by Messieurs Abercrombie-Fitch!

IN LEDERHOSEN, I would like hike, or be content to ride a bike, through land of Irish, Swedes & Danes, tandem down those English lanes...

GREECE & NICE... along the Rhine, in ancient castles I would dine.

In Jolly Britain ride a tram, buy tulips in old Amsterdam... See the bullfights, Sunny Spain... (But no, I could not stand the pain!)

After Venetian gondolas, the fountains of Rome, I'd still not want to head for home...

A shorter trip would never do!

I CAN'T MAKE up my mind... can YOU?

Just warming up, I'd be a sport & head for famous ski resort—

Reserving flights, I'd set my sights on places like the Dolomites!

High on a terrace in a Bavarian chalet, I'd be content to spend a day—

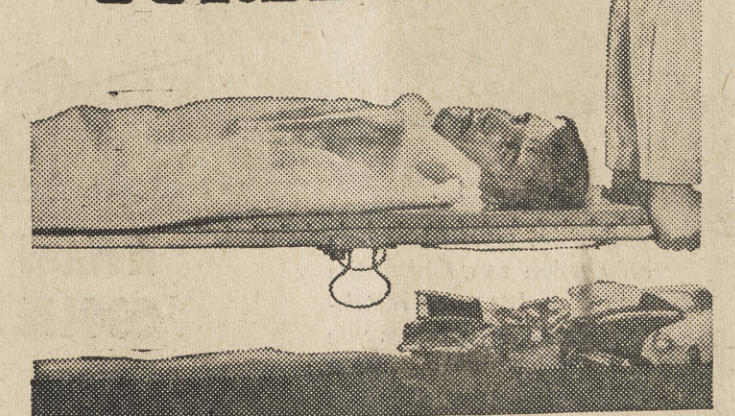

I'D SKI THE ALPS to have a look, at Kitzbühl, St. Anton, Innsbruck!

AT THIS POINT, my itinerary cautions me, indeed, "be wary"...

Since expensive plans are so expensive, the travel bug grows apprehensive!

What it all adds to, I fear... Is that I shall remain RIGHT HERE!

### AND WE DO THIS TO OURSELVES

No war crippled this man—nor thousands more injured day after day in traffic accidents. For this highway butchery, only we ourselves are to blame. We disregard laws made to protect us. Nearly every accident grows out of some violation. And casualties mount! They will lessen only if you help. So drive safely. Obey the law. Insist others do, too. Where traffic laws are strictly obeyed, accidents go down!

### FACE THIS FACT

Drivers are the No. 1 cause of traffic accidents which last year injured 1,400,000 and killed 38,000. This year an increase is threatened. How long must this go on? YOU can supply the answer!

### Letters to The Editor

#### BRIGHT HOPE

Dear Editor:

Worn-out clichés, worn-out foreign policies have to be replaced with words with new meaning and new changes in foreign policy.

The new Administration now has the responsibility to come up with needed changes. The "Peace Corps" idea has to be spelled out in a definite program.

Young people probably are excited about the possibilities in this program. The new President stated in his inaugural address that we must help other peoples to help themselves.

"The Sixties" can be bright with new adventure and projects—arming to the teeth is not the answer to survival.

As the CBS team pointed out problems in San Francisco recently, so we should accept these problems, and begin to work on solutions.

The United Nations and ultimately world law can help all nations to solve disputes and avoid catastrophe. We must realize that we were revolutionaries in 1775 and 1776. Emerging nations from colonial rule are setting out on their own, and we cannot damn them as being merely "communist inspired."

King George III, if the word communist were known in 1775, would have possibly labeled the Valley Forge fights as "communist rebels," or the Minute Men as "communist dupes."

As President Kennedy stated on January 20, "we should not fear to negotiate."

The age of swift travel has been with us now for the past few years and we are world citizens as well as proudly being American citizens.

THOMAS E. KENDALL

#### SPACE FOR YOUTH

Dear Editor:

Shame on the city of San Francisco for not being able to provide better environment to their youth than the "Black Hawk" to listen to jazz. In Lafayette, we felt there was a problem concerning a meeting place for our youth. A few years ago some progressive citizens decided recreation centers were the answer. We purchased 25 acres of land and last month made the final payment. We are now about to start our recreation building. Very soon we will have completed a beautiful recreation center on a gorgeous site.

Let's show them how it's done in suburbia. Our kids will have plenty of jazz without barricades.

M. GUELDEEN

#### MORAL VALUES

Dear Editor:

In reference to the Open Housing Covenant, a sense of moral values is nothing if there isn't enough courage to back it up; yet in default of any sense of Christian values do we have to resort to a public scoreboard?

MRS. R. VAN GELDER

#### THE GRASS IS GREENER—A-MY

Cary Grant and Deborah Kerr as the Earl and Countess of Rhyl maintain their ancestral estate by opening the great house to the sight-seeing public for a fee.

A Texas millionaire strays from one of the conducted tours into Lady Rhyl's private drawing room, falls in love at first sight and lures her into spending four days in London with him.

The cast is excellent including Robert Mitchum and Jean Simmons and clothes by Dior and music by Noel Coward.

#### THE GREAT IMPOSTER—A-MY-Y

The incredible true life story of Ferdinand Waldo Demara Jr. begins in this biographical film with his boyhood where his dislike of his shabby surroundings keeps him escaping into a constant state of pretense.

The "great imposter" is characterized as a gifted, well-meaning fraud, too impatient to navigate the slow channels that could bring him success in his own right. Luckily, Demara is a once-in-a-lifetime prodigy and not easily subject to imitation.

#### LEGIONS OF THE NILE—A-MY

Highly fictionalized, the story of Anthony and Cleopatra provides stock material for another Italian semi-historical spectacular. The confused plot carries a heavy load of bloody violence, inflicted on a huge but mediocre cast.

#### THE PLUNDERERS—A-MY

Four drifting young cowpokes wander into a small, lifeless western town and proceed to help themselves to everything they want. There is no resistance to their bullying.

#### ALTHOUGH the period is post Civil War, the story poses the modern question of patience and forbearance versus harsh discipline in the treatment of delinquents.

#### SWORD OF SHERWOOD FOREST—F-C

In this well-produced English film, Robin Hood and his merry men ride once more to the aid of good against evil. Sherwood Forest is a pleasure to behold, as are the medieval interiors, particularly those in the Priory where the Archbishop seeks refuge.

## Under The Sun Want to Run a Newspaper? Well, Here's Another Side

By HERMAN SILVERMAN

Working on a newspaper is a lot of fun, as well as a lot of work.

The Sun staff has never limited itself to just doing what is normally associated with newspaper work—handling news, selling ads, printing and distributing the paper.

Our theory is that The Sun should be more than a newspaper. It should contribute in other ways to the community. You are a better judge than we as to The Sun's contribution to the community.

We particularly enjoy one phase of community work; that is, sponsoring community service projects and events.

### College ball for the kids

A good example is last Saturday's Father-and-Kids Basketball Night at St. Mary's College, sponsored by The Sun and the college. You recall that dad (and mom too) could take as many kids to the basketball game as they wished. The only charge was \$1 for each adult—no charge for children. Some years ago we started a reservation system so no one would be disappointed.

Nearly 500 parents and children filled the reserved section to see a good basketball game. Of course, full credit should go to St. Mary's College, whose fullest cooperation made this event possible.

In November, The Sun sponsored its second annual Publicity Workshop to help publicity chairman and others learn about their work. You'll also remember The Sun's Candidates' Night a week before the general election.

### Each year it's fun

One of our most pleasant tasks is to sponsor the annual Man of the Year Award, which was announced just before New Year. The presentation is usually made in January and we have enjoyed attending the dinners.

These are just a few of the projects The Sun sponsors each year. Some take much time and effort; others are simple. We enjoy them all and hope that you do too.

I'm going to keep the column short this week, hoping we can print the movie reviews and classifications on this page. Any more comment on our publishing of these movie classifications?

## Here Are Suggestions For Your Movie Fare

Here are the movie recommendations, issued this month, by The Film Estimate Board of National Organizations:

Ratings are: A—Adults; MY—Mature Young People; Y—Young People; F—Family and C—Children (unaccompanied by adults).

CIMARRON—A-MY-Y

Set in Oklahoma in the years between 1889 and 1914, this lavishly produced, semi-historical panorama covers the tumultuous opening of the territory by the government, with all the attendant violence and hardship.

Cimarron is over-long and over-episodic, but there is great vitality in its treatment of a part of the American heritage.

### DESERT ATTACK—A-MY-Y

A matter-of-factness that employs little romance and no heroics marks this British war drama. As the Germans close in on Tobruk in 1942, a British captain and his sergeant set out across the desert for Alexandria to take two nurses from the evacuated camp to safety.

John Mills is a compelling figure as the captain, and the small cast gives him excellent support, notably Harry Andrews as his ambulant, d-riving sergeant and Anthony Quayle as a suspect South African.

### ESTHER AND THE KING—A-MY

The simple dignity of the Book of Esther is forgotten in its exploitation in this Italian-American spectacular. With a few concessions to history and to its Old Testament source, the Biblical tale becomes a melodrama of intrigue, infidelity, greed and murder.

The exaggerated plotting of the smiling villain Haman and his accomplices, male and female, torrid love scenes and suggestive dancing combine with trite dialogue and performances to make a tasteless, routine film of a now familiar sort.

### EXODUS—A-MY-Y

This drama of the strife-torn beginnings of modern Israel combines nationalism, conflicting ideologies, bravery, sacrifice, prejudice and love. The story stems from the displacement of the European Jew by the Nazis, the eagerness of the stateless people to find a homeland in Palestine, and the opposition of the Arabs and the British with their mandate to the mass influx of these refugees.

The long story, intricate with these personalities and their place in the cause, takes its own time in the telling, but emerges as a powerful picture of national struggle, intense with the contrasting emotions of Englishmen, Arab and Jew.

### THE FACTS OF LIFE—A

The setting for this skillfully directed domestic comedy is comfortable suburbia, with its community duties, its country club, its inescapable neighbors and its occasional temptations.

Several of the situations strike home with considerable poignancy. The witty dialog, delivered with fine acidity, is far from being confined to gags. There is a good deal of true observation embedded in it. All winds up happily with everyone wiser and no one the worse off in an ending that is moral and credible as well.

### THE GRASS IS GREENER—A-MY

Cary Grant and Deborah Kerr as the Earl and Countess of Rhyl maintain their ancestral estate by opening the great house to the sight-seeing public for a fee.

A Texas millionaire strays from one of the conducted tours into Lady Rhyl's private drawing room, falls in love at first sight and lures her into spending four days in London with him.

The cast is excellent including Robert Mitchum and Jean Simmons and clothes by Dior and music by Noel Coward.

### THE GREAT IMPOSTER—A-MY-Y

The incredible true life story of Ferdinand Waldo Demara Jr. begins in this biographical film with his boyhood where his dislike of his shabby surroundings keeps him escaping into a constant state of pretense.

The "great imposter" is characterized as a gifted, well-meaning fraud, too impatient to navigate the slow channels that could bring him success in his own right. Luckily, Demara is a once-in-a-lifetime prodigy and not easily subject to imitation.

### LEGIONS OF THE NILE—A-MY

Highly fictionalized, the story of Anthony and Cleopatra provides stock material for another Italian semi-historical spectacular. The confused plot carries a heavy load of bloody violence, inflicted on a huge but mediocre cast.

### THE PLUNDERERS—A-MY

Four drifting young cowpokes wander into a small, lifeless western town and proceed to help themselves to everything they want. There is no resistance to their bullying.

Although the period is post Civil War, the story poses the modern question of patience and forbearance versus harsh discipline in the treatment of delinquents.

### SWORD OF SHERWOOD FOREST—F-C

In this well-produced English film, Robin Hood and his merry men ride once more to the aid of good against evil. Sherwood Forest is a pleasure to behold, as are the medieval interiors, particularly those in the Priory where the Archbishop seeks refuge.

## Two Communities...Ruined

It seems a shame to louse up two beautiful communities completely, but that it evidently just exactly what the Bay Area Rapid Transit District is trying to do.

As you may have read in the last issue of The Sun, the transit directors decided that the old Sacramento-Northern right of way between Lafayette and Walnut Creek would be the proper route for the rapid transit trains, rather than down Mt. Diablo Freeway.

Stop and consider what this will do to two beautiful communities. Overhead structures will be required in Lafayette. Homes will have to be removed in Lafayette, Sun Valley, Saranap and Walnut Creek.

BUT PERHAPS that isn't as bad as having your home remain so that high-speed trains can go whooshing by regularly.

It is interesting to look back on the procedure whereby the district chose the Sacramento-Northern... or Olympic Boulevard as it is now called—routing.

Olympic Boulevard was first suggested. Naturally, there were protests from area residents who, understandably, did not like the idea at all.

It was admitted by the rapid transit engineers that the present freeway could

be used, but that the cost would be some \$3 million higher.

A tentative vote was taken and the directors voted for the Olympic Boulevard route, but the vote was 8-6... far from being unanimous.

MORE PROTESTS. Finally engineers decided that the cost differential between the routes would only be \$1.5 million or so... considerably less than first estimated. And there is considerable doubt in some people's minds that all the factors have yet been considered.

Again it came up for a vote... last week. This time the vote was 11-3 for Olympic Boulevard.

Fortunately, all three representatives to the board from Contra Costa County voted against this measure.

HOWEVER, THEY stated that the door is still open for further consideration of the matter.

We sincerely hope so. Because we know that the people in this area are not going to stand still for the lousing up of two lovely communities... and all the homes between them.

We recommend that the rapid transit people take another look at this situation right away.

Remember... they are going to have to pass a bond issue. That's when the chips will be down!

## Not a Fast Shuffle...

The Contra Costa County Board of Supervisors recently did a little serious thinking and sent the Cardroom Control Ordinance back to the shop for a little stiffening.

Interesting thing about it is, that the action came, almost directly, as a result of the protests of hundreds of residents of Lafayette who didn't want to see a poker parlor located in the middle of town.

They screamed! THE BOARD agreed that Lafayette didn't appear to be the place for such an establishment, but found that accord-

ing to the old ordinance they didn't have any way to deny the application.

So, instead of shrugging their collective shoulders (as some boards have done in the past) they had the ordinance revised so that they could deny the application.

IN THE MEANTIME, the applicant withdrew his request, but the wheels were turning, and as a result, the county now has another tool with which to work.

This kind of reaction between residents and the board is good.

There have been times when it was not so apparent as this example!

## Legislators Turn to...

Assemblyman Jerry Waldie, reporting from the Assembly this week, noted the following items of interest.

The 1961 legislative session is generally agreed to have begun more rigorously than any in memory. Opening as it did on January 2nd (the Constitution requires that the session be opened the first Monday of each year), it forced many legislators to miss the holidays and spend them on the roads instead.

With no between days to prepare for the opening, the legislators worked over the holidays and then moved right into the candle-burning routine which attends the organization of every post-election opening session.

THE ORGANIZATION of the majority party was particularly interesting this session. Heretofore, the majority leader, who is appointed by the Speaker of the Assembly, also acted in the

capacity of the Majority Caucus Chairman.

This session a change was made which resulted in the Majority Caucus Chairman being elected by all of the democratic members of the Assembly. I was privileged to have been elected to that position.

In this capacity, I will serve as a spokesman for the Governor on administration matters coming before the Assembly.

Of prime interest in these first two weeks was Governor Edmund G. Brown's program, which he presented before a joint session of the Senate and Assembly.

ALTHOUGH this has been reported in the newspapers, I'd like to say that legislators were particularly pleased that the Governor had programmed a tax cut and advances in every governmental field on the basis of a strictly balanced budget.

The tax cut has already been

initiated through the introduction of the Rumford Bill which exempts prescription drugs and medicines from the sales tax. I think you will agree with me that a responsible attitude toward state finances must have priority over tax cuts, even though the taxes we propose to end are so obnoxious they should never have been passed in the first place.

ANOTHER matter of great interest to all is proposed measures to curb the noxious narcotics traffic. The Governor has noted that he is "especially impressed with the... case for harsher penalties and longer terms of imprisonment for narcotics offenders."

He has asked the Legislature to prepare new legislation on the basis of an eight-month study of the situation by a team of experts and on further recommendations from himself and Attorney General Stanley Mosk.

## Maileen Williams Weds Gary Webber Phillips

Married January 21 at St. Isidore's Catholic Church in Danville were Maileen R. Williams, of Walnut Creek, and Gary Webber Phillips, of Danville.

The newlyweds were married by Father John Narver from Alameda at a nuptial mass ceremony.

The bride, daughter of Mr. and Mrs. Mason C. Williams of Walnut Creek, was given away by her father.

Parents of the groom are Mr. and Mrs. Harry Phillips of Alameda.

Maileen's bridal gown was of satin lace applied in a yoke pattern on the fitted bodice-front and around the sweetheart neckline.

TINY PEARLS trimmed the lace pattern, softly scalloped waistline falling into a full flowing train. Sleeves were long and pointed.

Flowers carried by the bride consisted of a cascade of white rose and wedding flowers with

white streamers backed with green rose ferns.

The bride's attendants were: Margo Bechtel, maid of honor, and Charlene Jones, sorority sister of the bride, Barbara Williams, sister of the bride, and Mrs. Brian Weiss.

Bridesmaid's dresses were silk linen sheaths in Dior blue with cap sleeves, scooped neckline. Matching accessories completed the costume.

Attendant's flowers were cascades of pink roses and carnations backed by green rose ferns and trimmed with pink ribbons.

Best man to the groom was Brian Weiss. Ushers were Robert Raney, fraternity brother of the groom at Stanford University, William O'Keefe, and William Nohava.

THE BRIDE'S mother who is in the hospital was unable to attend the wedding.

A violet silk sheath with matching accessories, an orchid corsage, white gloves was worn by the bridegroom's mother.

The Alamo Women's Club was the setting for the reception following the ceremony. A bell theme was carried out throughout the church and reception. Bells topped the wedding cake.

### Danville Girl Named 'Teen-Age Miss'

Linda Jean Yates of Plaza Circle, Danville, has been chosen the 1961 "Teen-Age Miss" of the San Ramon Valley in a contest sponsored by the Danville Junior Women's Club.

Each of the 14 clubs in the Mt. Diablo District, Federation of Women's Club, Junior Membership, may participate in this contest, and the district winner competes for the state title, announced Mrs. Donald Romer of the Junior Women.

Twelve candidates from the junior and senior classes at San Ramon Valley High School were picked by school officials on the basis of the girl's scholastic ability, and all around interests including school, church, community, and social activities.

EACH GIRL completed an entry blank, a 600-word essay about herself, submitted reference letters, and a photograph.

Miss Yates' many interests and accomplishments include participation with the American Field Service, American Legion Auxiliary, Advanced Biology Club, Future Teachers Club, Speech Club, primary Sunday School teacher, Pom-Pon girl, Student Council, Annual Staff, Senior Play, and work with Young Republicans. This 16-year-old hopes to attend college and receive her teaching credential.

THE THREE judges selected by the juniors included Mrs. Harold Frybarger, active member of the Danville Women's Club (senior group), Rev. Herbert C. Hirschfeld, pastor of the San Ramon Valley Methodist Church, and Mel Whalin, president, San Ramon Chamber of Commerce.

Mrs. Raymond L. Neff, president of the Danville Junior Women, announced that the girls, judges, and Mrs. Walter Willson, dean of women at San Ramon High, will be entertain-

ed at the organization's February meeting. Miss Yates will be presented with a gift at this time also.

### Parents Visit Orinda Family

After a two months' visit at the home of their son in Orinda, Mr. and Mrs. P. M. Wierenga of Sioux Falls, S.D., departed for their home.

### 'Easter in Paris' Will Benefit Center

Almost a thousand volunteers from the Mt. Diablo Therapy Center Auxiliaries are working on a fund raising event, "Easter in Paris," to be held March 18 at the Broadway Shopping Center, Walnut Creek.

For "Easter in Paris" the shopping center will be transformed into a series of outdoor Paris cafes.

The cafes will serve snacks to persons who have made \$1 contributions to the Therapy Center.

Unit presidents are Mrs. Frank Tebbis of Orinda, Orioles; Mrs.

Richard Leland of Orinda, Tan, Mary Doyle Auxiliary; Mrs. K. S. agers; Mrs. Ted Lake of Alamo, Welch of Lafayette, Larks.

## WC Juniors to Attend District Conference

The Junior Women's Club of Walnut Creek will send Mrs. Burt Pringle and Mrs. George Meikle as delegates to the Mt. Diablo District Conference, California Federation of Women's Clubs, Junior Membership, on Saturday, at the Concord Inn.

The conference chairman for the day long meeting is a junior from Walnut Creek, Mrs. Grover Fox. The theme for the meeting is Vital Valentines, and all district presidents will be honored.

The president of the local club is Mrs. Edwin Robinson who will attend with Mrs. Arthur Larson and Mrs. Sherman Camp, senior president, and other members of the club.

**FURTHERING THEIR** interest in mental health the club voted to assist the mental health office by paying expenses to publish their Mental Health Directory.

The local group will continue to print and prepare for mailing the Monthly Newsletter from the mental health office.

These local young women have also adopted a cottage at Napa State Hospital. This cottage is occupied by young boys of the ages 12 to 18 years.

The fourth Thursday of each month is birthday night and members of the club will take a gift and birthday cake to each boy whose birthday is in that month and cupcakes for the other youngsters.

**THE JUNIORS** have pledged \$100 to support Scholarships for Psychiatric Nursing Training, a project of Mt. Diablo District Senior Women's Clubs.

They also have sent a donation to the American Field Service in behalf of the six exchange students that spoke at the recent January social meeting.

Another project that the juniors have accepted is in response to a call for assistance from the library. The club will help catalogue and index books at the library.

**THE FUTURE** ways and means project is an Easter dessert card party on March 9. It will include a fashion show.

The Mental Health Association will present a panel at the club for the February social. The February refreshment committee is Mrs. James Ninnis, chairman, Mrs. George Meikle and Mrs. John Rousset. Also in February the juniors

will hostess at the Mt. Diablo District Executive Board meeting to be held locally on February 22.

**HONORED GUEST** will be the State Junior President, Mrs. J. J. Seale of Redlands. During her stay here Mrs. Seale will be the guest of Mrs. Donald Carson, state mental health chairman, who is an active member in the local club.

Decorations for the evening meeting will be a George Washington theme by the crafts committee. Crafts chairman is Mrs. William Gilman and assisting her will be Mrs. Robert May and Mrs. Robert Joice.

## Sale Offers Antiques, Art

A White Elephant Sale is being readied by the members of the Women's Board of the Oakland Museum's Association. East of the tunnel women who are working to collect "treasures" as well as rummage are: chairman, Mrs. Frank Malley assisted by Mrs. Harry Jackson, Mrs. Dwight Skaggs, Mrs. Kendric Morrish, Mrs. Ellsworth La Boyteaux, and Mrs. Robert Neuhaus.

**COLLECTORS** have already produced such varied items as antique and unusual jewelry, toys (including a puppet theater in excellent condition), and two lovely silver ladles with the date 1880 engraved on the back.

Well known bay area artists have been so interested in making this sale a success, they have contributed examples of their water color, pastel and oil paintings for sale at a fraction of the cost usually received.

**ALSO THERE** are records from which to learn French and Spanish, an alabaster bird bath flower bowl, a sparkling blue sequined evening gown, second-hand men's and women's clothing and other items too numerous to mention.

This gigantic one-day sale will be held at the Oakland Auditorium Arena at 12th and Fallon streets on Thursday, February 16 from 9 a.m. to 4:30 p.m. Proceeds will go to the Oakland Museum's Association for cultural and educational purposes.

## Acalanes Bond Issue Receives Endorsements

Endorsement of the Acalanes High School District \$3.9 million bond issue for school construction by a variety of area school groups and community organizations.

First to support the high school district in securing funds to provide classrooms for 2,000 additional students over the next five years was the League of Women Voters of Concord-Diablo Valley. In addition, the measures have won the backing of the Lafayette Junior Chamber of Commerce and the Hidden Valley Improvement Association.

The general membership or the executive boards of all Walnut Creek Elementary Parent-Teacher Associations, the Lafayette Elementary PTA and the Happy Valley PTA, have urged passage of the two measures, as well as the Parents Clubs of Acalanes, Miramonte and Del Valle High Schools.

"The Citizens' Committee is extremely pleased to know that parents of elementary school children will not be attending high school for several years," said Mrs. Ogden Kiesel, co-chairman.

"With support of this kind, we feel certain that a strong vote of confidence will be expressed election day," she added.

## Health Nurses Learning About Rehabilitation

Contra Costa County public health nurses were hosts yesterday to Dr. Joseph N. Vizzard, medical coordinator of a new evaluation and referral service for the disabled, sponsored by the Contra Costa Rehabilitation Council.

Dr. Vizzard met with a group of public health nurses and other key people from Central Contra Costa at the Hillcrest Congregational Church, Pleasant Hill, to talk about the services available to handicapped residents of the county through the Rehabilitation Council.

Miss Esther Seynei and Miss Doris Sterling, area nursing supervisors, were spokesmen for the group which included ministers, school nurses, hospital and nursing home personnel, local physicians, representatives from health agencies, and senior citizens.

Mrs. Eva Booth and Miss Catherine Roberts, public health nurses, made the arrangements for the meeting.

"The Contra Costa Rehabilitation Council is a county-wide committee made up of representatives from health and welfare agencies interested in bringing rehabilitation services to those who need them," Dr. Vizzard said.

"Through the efforts of the council a central evaluation and referral service has been organized and staffed.

"We operate in offices donated by the County Hospital, 2500 Alhambra Avenue, Martinez. We are supported by a federal grant from the Office of Vocational Rehabilitation and by local agencies concerned with the rehabilitation of the handicapped."

In answer to questions on referrals, Dr. Vizzard stated that any handicapped person is eligible for consideration, whatever his disabling condition, his age, or his income.

"There is no fee for what we offer," he said. "Actually, we are a clearing house. We try to assess the rehabilitation problems of any individual referred to us, social, psychological, vocational, as well as medical.

"We plan with him how he can best get the services which will restore him to the fullest possible function, and guide him to the agencies which can best do the job."

Physicians, friends and relatives of the disabled, as well as agency personnel, are invited to refer handicapped individuals to the Rehabilitation Council for evaluation, according to Dr. Vizzard.

The new office is staffed by Mrs. Anita Rustad, medical social worker, Miss Helen Deman, vocational rehabilitation counselor, and Mrs. Eleanor Kunitz, project director, in addition to the medical coordinator.

## Two More Wins For St. Mary's Hoopsters

Returning to action after a three-week layoff for semester exams, the St. Mary's cagers quickly racked up two wins.

In the annual Kids' night at St. Mary's last Saturday, the Gaels ran roughshod over the visiting California Poly team, 74-54. The Gaels raced out in front midway in the first half and were never headed.

On Monday the Gaels invaded Humboldt State for another non-league contest and pulled out a last minute 57-56 win. Tom Meschery paced the St. Mary's team with 19 points and scored the winning basket.

Tonight the Gaels travel to San Diego State before returning to league action against USF February 8 at San Francisco.

The Gaels are now 11-4 over all for the season.

## PH High To Host Wrestling Meet

The Pleasant Hill wrestling team will be the host and heavy favorite to cop the Diablo Valley Athletic League wrestling meet to be held February 11.

Ram coach George Galli has announced that preliminaries will begin at 11 a.m. and the finals starting between 7 and 7:30 p.m. Schools taking part in the meet will be Antioch, Pittsburg, Pacifica, Clayton Valley, Mt. Diablo and College Park.

Each school is allowed two entries per weight division.

The top two wrestlers in each class will then automatically qualify for the North Coast Section Meet to be held at Acalanes High School.

The Rams have yet to be defeated in DVAL matches.

## Churchwomen To Hold Juvenile Hall Program

Hillcrest Church Women's Fellowship will offer a luncheon program Wednesday entitled "Witnessing in the Community," featuring the work at Contra Costa County Juvenile Hall.

The program will get under way at 12 noon at the Hillcrest Church, 404 Gregory Lane in Pleasant Hill.

Mr. John Davis, Probation Officer in charge of the Adult and Juvenile Probation Department; Mr. Robert Hamblin, Superintendent of the Juvenile Hall; Mrs. Genevieve Hoffman, Principal of the Weekday School and Byron Boys Center, and Mrs. Henry Rae, co-sponsor of the Contra Costa Foster Home program, will participate in a panel discussion.

Reservations may be made by phoning either Calla Noreen, YE 5-1924, or Alice Chandler, MU 2-2297.

Cost of the luncheon is \$1. Baby sitting service is provided.

## \$200,000 Suit Filed Against Firm

A law suit asking \$200,084 has been filed against Volk McLain Company, owner of San Ramon Village, in Alameda Superior Court. The defendant's demurrer is scheduled for hearing today.

The complainant is Martin Brothers, Inc., of Concord, contractors, who allege nonpayment for installation of curbs, streets, gutters and paving in San Ramon Village.

A mechanics' lien on the land itself has been exercised. The complaint says the bill for work was submitted in September. The suit was brought December 21.

Volk-McLain has, however, paid some moneys to subcontractors, according to a representative of Sellar and Engleking, attorneys for Martin Brothers.

There are three counts, involving a total of \$200,084.

## Rheem Bridge Club Scores Are Announced

Recently formed, the Rheem Bridge Club meets at the Rheem Bowl every Wednesday at 7:30 p.m. The public is invited.

Scores from last week's play are as follows: North-South, Delia Rockwell and Clifford Altman, 138; Mr. and Mrs. Clifford Mason, 122; Mr. and Mrs. C. A. Millen, 118.

East-West, Bernice Bromley and Mrs. Don Schulte, 128; Ron Huffaker and John Noack, 126; Claire Farkasch and Leila Mason, 118; June Spatz and Dona Preece, 118.

Loco Hills, Pep, Lingo, Pie Town, Rosebud and High Lonesome are some of the unusual names of towns to be found in New Mexico, according to the National Automobile Club.

## Dons Lose First Wrestling Match

The Acalanes Dons and the Miramonte Matadors are tied for the league lead in wrestling and that is the way it will likely end up as the next time they will meet will be Saturday, February 11, in an all-league meet.

Miramonte travels to Las Lomas this afternoon and should experience little difficulty in posting a win over the Knights.

THE MATS wind up the league dual meet season at San Ramon. The Wolves have several outstanding performers but still lack all around depth and in recent meets have forfeited at 127 and heavyweight.

Despite a pair of forfeits last Tuesday, San Ramon did upend Las Lomas. But it would take a real upset to defeat Miramonte, who has good team balance and enough outstanding weights to be a big favorite.

The Acalanes Dons, in a tie with the Mats, meet San Ramon today and figure to repeat an earlier league win. Injuries and the flu riddled the Don ranks, but they appear to be on the mend and will be out to win this one with their top performers going.

RICK BUTLER, 112 pounds, missed last week's San Ramon meet, but figures to be ready for action today.

Denny Toll at heavyweight is ready, but will probably not see action, as San Ramon forfeited in their last meeting.

In last Friday's meet Acalanes topped San Ramon, 29-19, and at full strength today they should win, but it won't be easy, as the Wolves have some top performers of their own in Don Rhett at 145 and Phil Bechtel at 154, who figures to be top contender for league crown.

Last Friday's meets found Miramonte defeating Acalanes for the first time, 22-16, in a close and hard fought meet. The win put the two teams in a tie for the top spot, with both teams having three wins and one loss. Miramonte defeated Las Lomas last Friday, 31-15, while Acalanes trimmed San Ramon, 29-19.

## DVC Cagers Play Menlo Tonight

The Diablo Valley College cagers will be seeking their fourth league win tonight when they host Menlo College at 8 p.m.

The Vikings were knocked out of a four-way tie for first place when they lost a 55-44 decision to Vallejo Tuesday night.

It was the Viks' second loss in league play. They have won three games.

Vallejo, San Jose and Monterey are still tied for the top spot.

On Tuesday night the Vikings will be at home again, meeting San Jose at 8 p.m.

Don Montgomery was high point for the Viks in their loss to Vallejo as he scored 19 points.

### The Ski Line

## Annual Trek to the Snow Taken by Many Students

By HEC HANCOCK

The snow that was promised to skiers of little faith last week in this space was forthcoming with great alacrity—the same week end.

I trust that the skiing public is duly appreciative. This is just one of the many friendly little services provided. You're welcome, I'm sure.

While snow conditions have improved considerably, all areas need a larger snow pack. The icy conditions that had cast a pall over the Sierra resorts has been remedied. However, at last two or three feet of pack is required to cover all rocks and stumps.

Just one good storm could do the trick. WITH FINALS, for better or worse, behind them, the young scholars of the area took off for the mountains last week, almost en masse. There was considerable activity as the scholastic group took advantage of the semester break.

Sydney Rogers of Walnut Creek, now attending Stanford, took part in the festivities at Squaw Valley with the rest of the Stanford group.

Los Lomas was well represented in the area. Mike Breuleux, Jim Hechtman and John Rogers all skied Squaw. Chuck Jones, Sue Edminster, an LL grad, Charley White traveled to Mt. Rose Saturday and skied Sugar Bowl Sunday.

Pete Banwell, now attending UC, visited the ASUC Lodge at Norden and enjoyed the Signal Hill slopes.

RICK MILES, Walnut Creek's contribution to the University of Nevada, was real flashy on KT 22.

Lorna Lindsay of Walnut Creek journeyed to Soda Springs with her Anna Held classmates.

The Sitzmark Ski Club of Los Lomas will make their annual week end excursion to Yosemite this week end.

In previous years the trip has been made in comparative luxury. This year the group plans to do their own cooking. This will be one of the greatest accomplishments of the year, particularly when you consider the cooking will be on wood burning stoves and that water must be carried in.

Among those making the trip are prexy Bruce Hamilton, Bill Kelly, Pete Krueger, Helen, Heidi and Hope Howard, Dorothée Keeley, Tom Daniels, Randy Kennedy and Larry Reardon.

Bon Voyage and Good Luck!

THE FUNNIEST story of the week transpired last week end at Sugar Bowl.

A comely young miss came to grief atop Mt. Lincoln, but except for a busted ski she was none the worse for wear. As she started her long, tedious journey down the mountain for repairs, her boom companion spotted her from the chair lift she was riding up the mountain.

Seeing the situation, she knew her buddy was no doubt distressed and to assist her friend's morale, tossed down a bota, containing grapejuice (or related product).

Now for the uninitiated, a bota is the Basque interpretation of the hip flask. It can stand much abuse and is not easily broken, thereby lending itself beautifully to the skiing group.

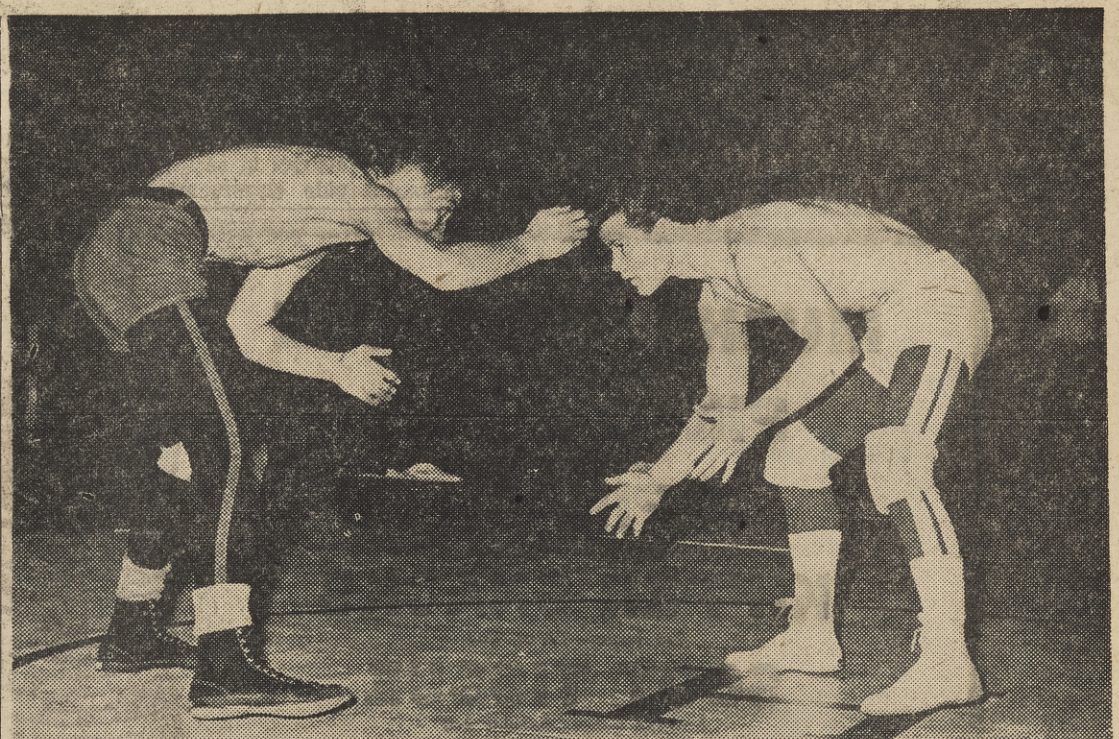

HOWEVER, this particular bota was ripped asunder, but only on the inside, a fact which could not be detected until attempting to imbibe. At this point our young heroine found herself and the surrounding snow drenched with the juice of the grape.

Continuing her tortuous journey down the slope, this fair lass left a train of crimson etched in the snow. The scene viewed later by those with fertile imaginations and queasy stomachs made for some bad moments!

Arriving at the lodge, our young friend made quite an impression.

The broken ski, together with the dripping bota, was evidence for all to see that a life of intemperance would lead to disaster.

The moral of this story—don't throw your bota in the snow!

## Foothill Meet February 11

The Foothill Wrestling League meet takes place at San Ramon High on Saturday, February 11, and will run throughout the day.

A definite time schedule has not been released, but a coaches' meeting early next week will iron out the details.

Acalanes, Las Lomas, Miramonte and San Ramon will be the competing schools, with each allowed to enter two men in each of the 12 weight divisions running from 103 pounds to unlimited.

The battle for the mythical league meet title looks to be between the Miramonte Matadors and the Acalanes Dons. It could well be decided by San Ramon and Las Lomas, depending where their men come through.

The two finalists in each weight division will be entered in North Coast Section meet to be held at Acalanes High School on Saturday, February 18.

The battle here for top honors appears to be between Hayward High and the nearby Pleasant Hill Rams.

Top performers from throughout Northern California will be entered and it promises to be an outstanding event for followers of the rapidly growing mat games.

## Ram Wrestlers Clinch DVAL Mat Title

The Pleasant Hill Rams have already won the DVAL wrestling title and an undefeated season is in sight with one match left on the schedule.

Every other team in the circuit which includes Antioch, Pittsburg, Pacifica, Mt. Diablo, Clayton Valley and College Park have suffered one to three setbacks and Pleasant Hill, with an undefeated record to date, has the title clinched.

The Rams' latest victim was College Park last Wednesday, 36-12.

The Rams wind up their league season next Thursday when they meet Mt. Diablo. The Rams hold an earlier win over the Red Devils and, with a nucleus of undefeated veterans in Lennis Cowell at 122, Dave Moore at 129 and Tom Foster at 191, figure to wind up the season with another win.

Individual match results were as follows:

103—Bruce (CP) drew with Ezidro (PH); 112—Simpson (CP) dec. Lindenau (PH); 120—Ingersoll (CP) pinned Finlayson (PH); 127—Cowell (PH) pinned Buchanan (CP); 133—Moore (PH) pinned Patch (CP); 138—Simpson (PH) dec. Rino (CP); 147—Ernst (PH) dec. Sizemore (CP); 154—Brown (PH) pinned Poarch (CP); 165—Richie (PH) dec. Brown (CP); 175—Judd (PH) drew with Boeger (CP); 191—Faulk (PH) dec. Daw (CP); heavyweight—Mackin (PH) pinned Casino (CP).

## Miramonte, Dons Battle For First Place Tonight

By ERWIN MATTSON

The Foothill League basketball race really tightened up last Tuesday when the San Ramon Wolves upended Miramonte, 48-40, and threw the standings into a three-way tie.

Acalanes, Las Lomas and Miramonte all have 5-2 records now.

As coach Merrill Callow of Las Lomas put it, "chances are that to win (the title) a club will have to go undefeated the rest of the way." There are three weeks of play left before it all winds up on Tuesday, February 28.

The big game tonight finds Miramonte in a do-or-die game at Acalanes. It's come early or don't get in because the small gym will be packed to the rafters.

MIRAMONTE, riding high and undefeated in league play, was leading by two full games up to last Friday. Now they are in a three-way tie after being toppled in their last two outings.

**Foothill League Standings**

	W	L	PS	PA
Miramonte	5	2	320	266
Acalanes	5	2	315	298
Las Lomas	5	2	377	298
Piedmont	4	3	351	352
Alhambra	1	6	315	410
San Ramon	1	6	331	381

The Mats defeated the Dons in a previous outing and are slight favorites to repeat tonight, although the Dons' home floor is a decided advantage. Acalanes, an in-and-out ball club, particu-

larly in the shooting department, will have to hit a "high" if they are to win here.

Miramonte has been more consistent in shooting and certainly holds an edge in defensive play. Tab the Mats to win in a close one.

PIEDMONT plays at Las Lomas tonight and they will be shooting for an upset win again as they toppled the Knights 57-53 in an earlier meeting.

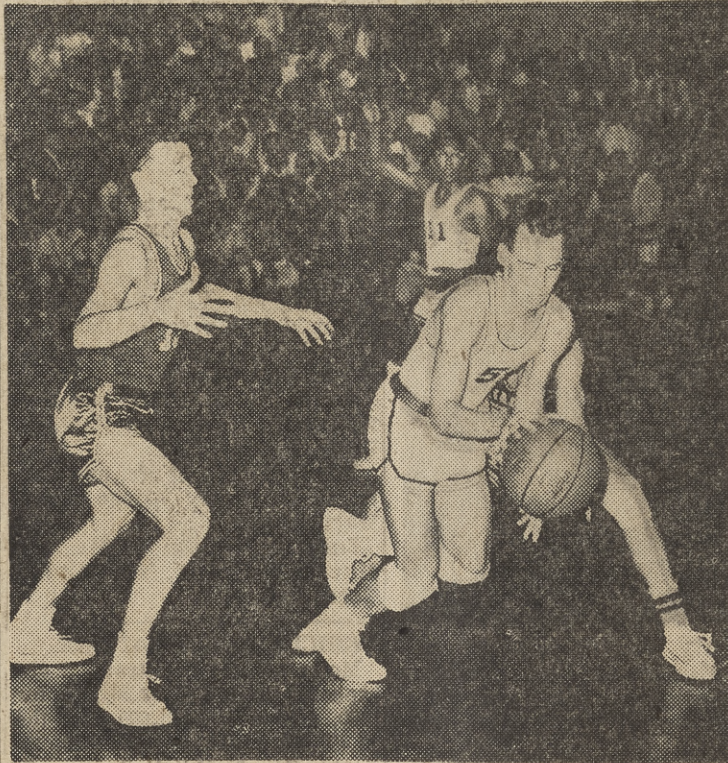

The Knights were the pre-season favorites, but had problems in getting going. Down two games, they now find themselves in the thick of the race tied with Miramonte and Acalanes for the top spot.

Either Acalanes or Miramonte drops a notch tonight, while Las Lomas has to win to stay tied for the number one position.

Look for Bob Nichols, Rod Holcomb and Rene Brundol to set a swinging pace which the Piedmont clan won't be able to cope with.

IN THE other league game tonight, San Ramon is favored to measure Alhambra.

San Ramon, rated by many to have a good club at the beginning of the season, look as though they have finally hit a peak. This could mean plenty of trouble for other clubs from here on in. Tonight the odds say they will chalk up a win at the Alhambra gym.

**LAS LOMAS SPARKPLUG** Rene Brandol breaks past two Miramonte defenders who try to stop him from bringing the ball upcourt in last Friday's game at Orinda. Randy Thaman is the Matador player at the left. Rick Scott of Las Lomas is in the background. Brandol paced his team to a 37-35 upset of previously unbeaten Miramonte as he scored 15 points.

## Miramonte Loses Twice; Knights, Dons Move Up

Miramonte dropped from the list of unbeaten with a mighty thud last week as they lost two straight contests to fall into a three-way tie for first place in the Foothill basketball race.

Las Lomas was the first team to do the trick last Friday. The Knights bested the Mats on Miramonte's home floor, 37-35, on Bud Murphy's basket in the last 15 seconds.

Rene Brandol's 15 points and sparkling floor play paced the Knights to their upset win over the previously undefeated Orinda team.

THE KNIGHTS trailed most of the game, going ahead for the first time late in the third period.

The Matadors started off with a rush, jumping out in front 8-0 before Las Lomas could find the range.

The Knights finally came to life and trailed only by one point at the half, 18-17.

Miramonte held onto its slim advantage until Brandol's basket late in the third quarter put the Knights out in front, 28-27.

Randy Thaman put the Mats back out in front, 35-34, with a free throw in the last minute.

This set the stage for Murphy's game-winning jump shot a few seconds later.

RICK SCOTT set up the play as he stole the ball from the Mats as they tried to run out the clock.

A few seconds later Brandol sank a free throw to ice the win. Jack Gilbert paced the losers with 15 points.

San Ramon handed the Mats their second loss in five days as they led all the way in gaining a 48-40 win Tuesday.

A 16-point outburst in the second quarter paced by guard Bob Metez gave the Wolves a 25-18 halftime advantage.

The Wolves held the margin for the final two quarters.

Metz wound up with 14 points as he connected on 12 of 14 free throw attempts. Jim Howell had 10 points for San Ramon, while Randy Thaman of Miramonte had 14 points. Bill Caldwell added 11 points for the Mats.

ACALANES found themselves back in the race as they dumped San Ramon, 54-52, on Friday and Piedmont, 54-48, on Tuesday.

John Jones paced the Don win over San Ramon with 21 points. Teammates Paul Stegman and Doug Treter added 15 and 12 points respectively.

Jim Howell had 19 for San Ramon, with Bob Metz adding 12. In other games Friday, Piedmont went on a scoring spree to wallop Alhambra, 71-51.

Rich Prestwood, the circuit's top scorer, hit for 20 points, while Bob Foksett had 13 and Craig Coakley had 11 for the clan.

JIM HAMMETT was tops for Alhambra with 12.

In their game Tuesday, Acalanes beat Piedmont for the second time this year, 54-48.

Acalanes was off to a flying start, hitting for 19 points in the first quarter, with John Jones

## Ram Cagers Face Weak Foes Next

The Pleasant Hill Rams, in fourth place in the Contra Costa Division of the DVAL, hope to add a pair of wins in their next two games as they face Pacifica tonight and College Park Tuesday afternoon.

The Rams have a 2-2 record to date.

Pacifica is currently in fifth place and College Park yet to win, buried in the cellar of the seven-team league.

Pittsburg, Clayton Valley and Mt. Diablo have been battling it out all along the way for the top spot with the Rams a game behind the leaders.

Every team in the circuit has lost at least one game.

THE RAMS had center Dick Dole on the sidelines with the flu Tuesday, but he is expected to be back for tonight's game with the Spartans.

A comparison of recent scores gives the Rams an edge in tonight's contest. They lost to Pittsburg Tuesday, 62-45. Pacifica lost to Pittsburg last Friday, 75-36.

The Rams were idle last Friday as Mt. Diablo nipped Antioch, 41-39, and Clayton Valley swamped College Park, 63-33, in other games.

In Tuesday's game with Pittsburg, the Rams definitely were hurt by the loss of Dole.

PITTSBURG hit on a torrid 52 per cent of the shots in the first half to walk off with a commanding 20-point bulge at the intermission, 35-15.

Pittsburg's pressing defense proved a problem for the Rams and caused them to commit many errors in ball handling.

Pitt outscored the Rams, 17-11, in the third quarter to lead, 52-26, going into the final period. The Rams then spurred in the closing minutes to keep the score respectable.

Bob Griffin was the game's high point man with 15 points for Pittsburg.

Al Oxley paced the Rams with 11 points.

## Last Days To Enter Diablo Bowl Tourney

Entries for the 15th Annual Diablo Bowling Association championships will close tomorrow at midnight.

Team entries this year have already exceeded last year's number. To date 276 teams have been entered in the tournament. There are 238 doubles teams entered and 476 singles also entered in the two-week tourney.

Action gets under way February 10 at the Vogue Lanes in Pittsburg and the Monument Bowl in Pleasant Hill.

The single and doubles events will be held in Pittsburg, with the team events taking place in Pleasant Hill.

Rod Mill from the Columbia Steel League in Pittsburg is the defending team champion from last year's tourney. Its winning total was 3098.

## WC Pucksters Win on Last Minute Goal

Walnut Creek kept alive a slim hope for first place in the Northern California Ice Hockey League by posting a come-from-behind 5-4 win over Berkeley.

A goal by Walnut Creek player-coach Bud Cook in the last 15 seconds gave the Warriors the win.

The Warriors scored three goals in the last ten minutes to gain their fifth league win in nine starts.

San Francisco leads the league with a 7-2 record and just three games remaining. Berkeley and Oakland are tied for third with 3-6 records.

Gille Tanguay scored one goal and assisted on two other goals, including the winner by Cook, to pace the Walnut Creek team.

## So. Cal. Dog Cops Title; Fishing Is All Sturgeon

By LARRY JACKSON

**DOG TAILS** — A Springer took the State Field Championship back to Southern California last Sunday. Shooter's Rapid Richard, owned and handled by Don Shooter of San Gabriel, copped the honor at Salinas.

The running was so close that the Judges called back eight of the best springers for the final ground series before coming to a decision. Richard worked the finale with fire and spirit and handled like a dream. His nose work in the light rain was terrific, his retrievals head high and fast and he showed the best pattern of running for the win.

**TO RICHARD** for his work and Don for his fine sportsmanship and handling went the top loot: a bag of 100 silver dollars, a large champagne cooler trophy and the beautiful rosette. The win was approved by the gallery and the winner crowned. As a personal friend, my congratulations to both.

Another So. Cal. dog, Pam's Louey of Camden, owned by Leonard and Betty Fisk, of Sausalito, took over the second spot making a one-two win for the So. Cal. contingent. Too many trapped birds in the early series kept Louey from the first place by a hair.

Royal of Avondale, owned and handled by Ralph Newton, San Lorenzo, copped third with a hot final run and Ludlovian Tiny of Hardthill, owned by Lee and Jewelee Caya of Martinez, handled by Lee finished fourth.

We have seen Tiny several times in training and have to admit she has run better, but a season ailment slowed the gal a bit. The break of the trials.

**THE EVENT** was witnessed by a gallery in excess of 100 and all were amazed at the delightful work of these brush-scampers. It really was an event to warm the blood of the field dog fanciers.

**FISHING** — If you are a sturgeon enthusiast (who isn't) head that boat of yours up towards the Suisun break-through near Honker Bay and help yourself.

Reports out of McAvoy's Harbor are about nothing much except the sturgeon. A father and son team, names unknown to us, have been taking an average of 2 a day ranging from the limit size to one going six feet and weighing over 150 pounds. That my friends is a lot of sturgeon. This is no dream of the sit-in-a-chair fishing reporter, but the actual facts from one who calls on his spots and has confidence in the reports he is given.

**THE BOAT OWNERS** of the McAvoy set-up, while few were out over the inclement weekend, showed a take of about 25 strippers in the 3-16 pound bracket for only about a dozen fishermen over the weekend. All things considered this is a fine indication that the warmer and more active weather will show up in the take department.

For the private boat owner who is looking for a spot locally to harbor his craft, Harold Wildes at McAvoy's has just added 26 berths, all covered and with floats, for your inspection. Went over the set-up myself and can recommend, with all facilities ready and handy. So a word to the wise—hop to it as the spaces are going fast. You localites should like this area.

very clean, new and the best in service for the fisherman and his avid family.

**REPORTS** from our other local areas are a bit on the slow side.

Dal Hering at Whites Fishing Resort reports that the flounder are still with us and that the strippers are there, but on the small side and have to be tossed back.

This is one law we personally have an aversion too, when a fish is hooked too deeply he is only sea gull food when tossed back, but he could have been food on the table if smuggled past the wardens. Don't blame the F&G boys, they have a job to do.

Dowrelios is still in the slow category—fish yes, fishermen—slow.

## Walnut Creek Car Entered in Show

A hand-built rod coupe from Walnut Creek, combining parts from ten stock models, was entered in the 1961 National Roadster Show to be held February 17-26 in the Oakland Exposition Building.

The entry is owned by Frans Scholin of 1381 Geary Road, a member of the Exterminators Club.

More than 125 custom cars, hot rods, sports cars and new experimental models will be on display during the huge Oakland show's ten-day run.

Scholin's creation — based on a 1930 Ford pickup — now operates with Ford, Chevrolet, Plymouth, Studebaker, Buick, Hudson, G.M.C., Fiat, Lincoln and Mercury parts.

The engine is from a 1956 Corvette and has six carburetors.

All vehicles entered in the Oakland show must be the personalized "dream cars" of the owners to be awarded display space in the event.

During the show's ten-day run, exhibitors compete in 28 classifications for 68 major awards headed by a \$5000, nine-foot loving cup, said to be the world's largest trophy.

Show doors will be open from 6 to 10 p.m. on weekdays and from 1 to 10 p.m. on Saturdays, Sundays and Feb. 22, George Washington's Birthday.

## Navy Ensign Graduates

Navy Ens. Douglas S. Sherrill, son of Lt. Cdr. and Mrs. T. D. Hawkins of 1052 Laurel Drive, Lafayette, was graduated recently from the Officer Candidate School at the Navy Base, Newport, R.I.

Graduates of the 18-week school are qualified to meet the technical and leadership responsibilities facing today's officers.

New officers report for duty with ships, naval stations or for special programs in aviation training, naval intelligence or underwater demolition.

UNITED CHURCH women of Central Contra Costa County elected officers at their annual Praise Service. They include, left to right, Mesdames Jack Corder, corresponding secretary; Robert Love, president; Eldon Holladay, treasurer; Erwin Workman, recording secretary. The group also has Mrs. J. D. Hall, vice president; and Mrs. Arthur Henry, auditor.

## Your Garden

### Plant Patios Carefully; Avoid Plant Crowding

If you would enjoy a terrace or patio to the fullest degree, plant it with restraint. Remind yourself that all but the most modest shrubs will some day overgrow

their bounds and encroach on your outdoor living pleasure. As the California Association of Nurserymen put it recently, patios should provide seclusion but not obscurity. They should be oriented outward toward a view or upward toward an unobstructed expanse of sky. Enclose them like a den by overplanting and you might as well do your outdoor living in the house.

**FOR PROOF** of this, we checked half a dozen terraces in our neighborhood and, without exception, the most pleasurable were those planted according to the CAN formula. Low shrubs and vines and the liberal use of container grown plants seemed to be the surest path to a pleasant setting. In one case there was nothing growing that wasn't in a tub or pot.

Modesty alone should not be your measure of patio shrubs, however. Given such a limited area to landscape, you will want to insure that what you plant has the highest possible appeal. Flower and form, either or both, should give you an aesthetic lift that makes outdoor living more than just a catchword.

**AZALEAS** in bloom, whether tub grown or in the ground, are something special for protected patios. Camellias are colorful in the winter and spring, cooling in their greenness during summer months. Trimmed ivy, growing in beds or on a wall, is nice to have around.

Sunny terraces lend themselves to tubs of dwarf citrus, marguerites, pelargoniums and bamboo. Use annuals lavishly—especially in containers so they can be removed after fading—and if shade is needed, provide it with a grape arbor that sheds its leaves to admit the sun's rays in winter. Just don't overplant. You can always add a tub or two to the underplanted patio, but uprooting an established overgrown shrub never seems to be an easy job.

## Berman To Judge Play Festival

Harvey Berman, director of drama at Diablo Valley College, will serve as one of three judges of the Fifth Annual One Act Play Festival, to be held tomorrow at Pacifica High School.

Ten high schools in the Diablo Valley basin will participate in the festival with a presentation by each school of a one act play. Each school will vie for ratings varying from fair to outstanding.

## There's Time Still to Plant Perennials

Here are some points for the gardener to keep in mind this week:

Perennial plants are still available in nurseries. Year-old clumps of primroses and delphiniums will be showing up soon.

Toss snail pellets around flower beds for easy control.

Fuchsia pruning should not be rushed. Mid-February is time enough to start the job.

Light pruning keeps camellias compact and full. This can be accomplished nicely on mature shrubs by taking short stems when you cut blooms.

## Eagle Goes To Four Young Men

An Eagle Scout Court of Honor will be held in the fellowship hall of the Walnut Creek Presbyterian Church on Sunday at 2:30 p.m.

Four scouts will be awarded the highest rank—Ronald Himes, 13, Roy Dunlop, 16, and Bob Odell, 14, of Troop 220, also Lorin Peters, 18, of Explorer Post 323.

The ceremony is being held at the beginning of Boy Scout Week.

Ronald is the son of Mr. and Mrs. S. T. Himes, 2456 Encinal Drive, Walnut Creek.

Roy is the son of Mr. and Mrs. William W. Dunlop, 747 Hamilton Drive, Pleasant Hill.

Bob is the son of Mr. and Mrs. R. B. Odell, 160 Arlene Drive, Walnut Creek.

Lorin is the son of Mr. and Mrs. Ralph Peters, 1166 Oak Hill Road, Lafayette.

## VEHICLE REGISTRATIONS

Motor vehicle registrations are expected to reach 73,868,000 for 1960, a gain of 2,371,000 over the 71,497,000 registered in 1959, reports the National Automobile Club.

## Dramateurs Stage Play By Gore Vidal Tonight

"Visit to a Small Planet," by Gore Vidal is the forthcoming production by the Dramateurs to be given at Lafayette Town Hall on five weekends beginning February 3. Curtain time is 8:30 p.m.

The play, which opened on Broadway in 1957, featured Cyril Ritchards in the starring role. Taking his part in the Dramateur production will be George Meyer, well remembered for his appearance in Picnic, Barretts of Wimpole Street, and Dark at the Top of the Stairs.

Doc Scott, who made his first hit with the audiences in The Rivals, and then A Happy Time, and The Hasty Heart, will play the part of General Powers. Also participating in major roles are Philip Stearne, Helen Blankenburg, Rhode Klitsner, Perry Palin and Phil Jelley.

"VISIT TO a Small Planet" is directed by Carl Rasmussen, assisted by Marie Mannen, Bert Miller, Jim Shanks, and Tish Winkworth.

Because of the demand for tickets by seven major sponsoring organizations for ten of the scheduled twelve performances, the public is urged to make ticket reservations early.

Tickets are available at Hink's, Berkeley (book department, or in

Orinda at CL 4-4141 and CL 4-2460. On nights of performances call the Town Hall in Lafayette.

## Diablo Valley To Offer Opera Lab

An opera laboratory for adult singers is being organized as a part of the Part-time Program at Diablo Valley College, according to Charles Sapper, assistant dean.

The class will offer experience in the production of chamber operas which will be staged each semester. The laboratory is under the direction of Dr. J. Philip Dalby, and Harvey Berman, instructor of music and drama respectively.

Menotti's opera "The Medium" will be among the first works to be performed.

Solo singers interested should plan to attend the first meeting to be held Tuesday at 7 p.m. in Building 12 on the college campus.

Auditions will be held at that time. College credit can be earned. Further information may be obtained by calling the college at MUlberry 5-1230.

## VEHICLE PRODUCTION

American automotive factories produced 5,765,907 motor vehicles during the period from January 1 through September 24 this year.

## Acalanes Grads Maintain High Grade Average

Graduates of Acalanes District High Schools maintain a high grade point average at Stanford University, according to a report received from the registrar of that institution.

Covering students entering Stanford from 1957 to 1960, the registrar's figures indicate an average grade record of 2.64.

Grades earned by graduates of Acalanes District schools averaged 2.77. Over the three year period, 36 students have entered Stanford from Acalanes, Las Lomas, and Miramonte High Schools. The latter school is represented by the graduating class of 1959 in the report.

Grading standards of schools in the Acalanes High School District compare favorably with those of 10 high schools of other districts in Contra Costa according to figures recently provided by research experts of Chico State College.

As a part of a study of high ability students, records of students ranking in the top 15 per cent in scholastic aptitude according to national standards were used in computing a three year grade point average for each.

Grade point averages reported for the four high schools of the Acalanes District ranged from 2.8 to 3.0. Six of the other high schools reported averages in the same range, while two had higher averages and two had lower.

## Assessor Favors Raising Household Goods Exemption

"County assessors of California have in the past and will continue in the future to oppose any measures that will tend to shrink the tax base in his county," announced Contra Costa Assessor C. L. Dunklee.

But, Assemblyman Carl A. Britschgi's bill to raise the exemption of household goods from \$100 to \$2000 has some merit, he said.

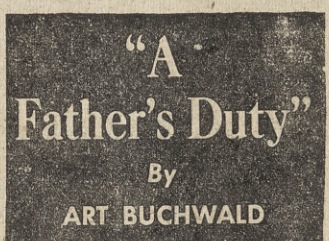

He said, "When the California Constitution was written and amended, an exemption of \$100 covered most of the personality necessary to a householder."

"Today a \$100 exemption is not adequate. The value of a dollar has decreased seven-fold."

"The costs of personnel to make an appraisal of household personal property on a fair value basis means experts in various fields of goods, viz., paintings, sculptures, diamonds, mink coats and Persian rugs," Dunklee added.

"The costs of administration and inspection is way out of line when compared to the revenues forthcoming, let alone the nuisance to the taxpayer," he continued.

California now written in the law by Legislative action. The principle of the bill is O.K., but I would prefer to go for a \$1000 exemption," he concluded.

## Judge Gregg Will Lead Drive To Aid Crippled

Norman Gregg, Superior Court Judge of Contra Costa County, will lead the County Easter Seal Society for Crippled Children and Adults of Contra Costa in its 1961 campaign.

Francis P. Healey, president of the Easter Seal Society, said that Judge Gregg will direct over 1,000 volunteers in an all-out effort to finance the fight on conditions that cripple 12,155 children and adults in Contra Costa County.

The campaign, marking 40 years of service to the crippled by the Easter Seal organization nationwide is scheduled for March 2 to April 2.

SEALS WILL go through the mail to 125,000 Contra Costa County homes.

Judge Gregg is a member of the executive board of Mt. Diablo Council, Boy Scouts of America, and was the first president of Richmond Junior Chamber of Commerce. He is past president of 20-30 Club and the Richmond Bar Association.

Numbered among his other community affiliations are the Martinez Lions and Elks Clubs, Richmond Eagles and Native Sons.

A World War II navy veteran, Judge Gregg belongs to the Veterans of Foreign Wars and the American Legion. He is also a member of the Commonwealth Club of California.

Judge Gregg lives in Richmond with his wife and three sons. The oldest son, Gerald, attends Contra Costa College. Kenneth attends Harry Ells Junior High School, and the youngest son, Robert, is in the sixth grade at Grant School.

"IT IS because of the pride I have in those three healthy, able bodied sons that I want to help

boys and girls of Contra Costa County who are not as fortunate," said Judge Gregg.

## Annual Meeting Held by Diablo Girl Scouts

The 16th annual meeting of Diablo Valley Area Girl Scout Council was held at the Diablo Country Club on Wednesday, January 25. All adults interested in the Girl Scout program were invited to attend the meeting.

Girl Scout exhibits were displayed and coffee was served from 9:30 to 10 a.m. Mrs. Robert C. Freeman, chairman for the meeting, welcomed the guests and Mrs. Kenneth Hallstone, president of the council, made her report and presented awards.

Following the nomination and election of officers, guest speaker Mrs. A. J. Angeli of San Leandro highlighted her summer trip to Belgium as a Girl Scout visitor-observer. Mrs. Angeli was one of two United States Girl Scout leaders chosen for summer assignment to Belgium and nearby countries. Mrs. Angeli had many experiences to tell, but her greatest was a pilgrimage to Rome with 38 girls and leaders, two chaplains of the Flemish Catholic Girl Guide Movement. Their trek led them through Munich, Venice, Assisi, Perugia, Ravenna, Florence and to Rome, where they were received by the Pope. After a week in the Holy City, the group returned to Belgium by Genoa, Nice and Paris. A question and answer period on opportunities in Girl Scouts followed Mrs. Angeli's talk and a luncheon was served at 1 p.m.

IT TAKES A LOT of muscle to move a complete Red Cross facility, and that's what these people are doing. They are helping to establish the Red Cross in its new facilities on Ygnacio Valley Road. ## Shoenthaler Speech Wins Award

"The Farm Surplus" was the title of Pete Schoenthaler's award-winning speech at the January 26 meeting of the Diablo Toastmasters Club.

Bill Williamson's evaluation of Pete's speech was voted the most outstanding, and John Davey was awarded the Table Top

## Armored Car Out Of Gas, Gets Help

An armored car ran out of gas, January 21, on the Walnut Creek bypass, and was assisted by Walnut Creek police officers.

No attempted robberies were reported, as the armored car sat beside the roadside, officers said.

## Group Approach Now Tuned To Teenagers

Teen-agers can discuss their problems with each other, under guidance of a trained counselor, at the Institute of Social and Personal Relations in Walnut Creek each Tuesday from 4 to 5 p.m.

Such a group has been conducted by the Institute in its Oakland offices for several years. Young people may come voluntarily to the group, be brought by their parents, or referred by school or juvenile authorities.

"The purpose of a Teen Group," says Dr. Little, "is to foster personal growth through sharing of experiences and attitudes. It also endeavors to bridge the gaps in understanding and communication which so often lead to family and social turmoil during the teen years."

## Group Sponsors Lab Workshop

A two-day workshop for laboratory personnel working with tuberculosis will be held next week end at the Alameda County Health Department.

The workshop is sponsored by the Contra Costa TB and Health Association and other Bay Area TB associations.

## Fair Play Council Meets Tuesday

The Fair Play Council of Central Contra Costa County, Inc., announced that Municipal Court Judge Betsy Fitzgerald Rahn will be their kick-off speaker for the Open Housing Covenant.

Judge Rahn will address the regular monthly meeting of the Fair Play Council to be held Tuesday at 8 p.m. at the PG&E Building, 1535 Bonanza, Walnut Creek.

According to Executive Director Mrs. Orville Hill, the Fair

Membership meetings, held regularly on the first Tuesday night of each month, are open to all those who are interested in the work of the council.

## Cancer Society Offers New Booklet

The answers to 101 frequently asked questions about cancer are of the American Cancer Society, given in a newly published book-it was announced by Dr. Charles J. Hart, branch president.

The booklet includes nine categories of questions concerning the nature of cancer; what causes it; how cancer is detected and treated; cancer in men, women and children; vital statistics; and what the individual can do to

protect himself against the disease. As is customary in all American Cancer Society literature, the booklet also contains a list of cancer's seven danger signals. Free copies of "Answers to 101

Questions About Cancer" may be obtained by calling the American Cancer Society's Contra Costa County branch at Yellowstone 4-7640, Dr. Hart said.

## Displays, Art Sales Arranged by Ass'n

"Walnut Creek is proving to be an art loving town. Year after year more local merchants turn 'Patron Des Arts' and their for-

lunate customers are able to enjoy the talents of many unknown artists," said Serle Burnside of the Diablo Art Association.

"This has been made possible through the efforts of the association, which brings the artist and merchant together," she continued.

"Each artist is invited to display his work for one month in a local shop. This makes for continuous and varied shows the year round throughout the community."

"LET THE viewer beware of his critical comments regarding the painting, for the character behind him may very likely have painted it!" she exclaimed.

"The Diablo Art Association not only arranges for showings, but also handles sales transactions. "Quite often a painting is sold

right off the walls of a store. "Despite the flamboyance of a creation, its creator is sometimes a retiring individual who is tickled pink to leave the business details to the art association, however if the buyer wishes he may meet with the artist personally and deal directly with him."

RUTH HUSSEY, Danville artist, displays her work in the Walnut Bowl.

The Village Theatre has an outstanding exhibit featuring Thyra Schaefer, Katy Madsen has a display of her portraits in Compton.

Patients of a local dentist can view the paintings of Pamela Della in the Alamo Medical Center; Alice Norris has a collection of her work in the Kaiser Hospital.

Lillian Lees is featured in Pillsbury's Stationery Store; there is an exhibit in Sears where Mrs. Goodale is showing an array of abstract oils.

Hanging in the banquet room of the Nut Bowl are paintings of various media by Jerrie Burnside. Rolfe Williams has an imaginative show in the Suburban Carpets. Ralph, Joseph and Owens offers landscapes in oils by Delora France.

## Girl Scouts Capped As Nurses Aides

A candlelight ceremony was the setting for 31 senior Girl Scouts of the Diablo Valley Area, who completed a training course as nurses aides. The prospective aides have all taken physical examinations and have pledged a minimum of 30 hours of service at the rate of two hours per week.

Trainers for the program were registered nurses Mrs. B. O. Wilson of Walnut Creek, Mrs. R. C. Fehlman of Pleasant Hill under the direction of Mrs. Max J. Fisher of Pleasant Hill. Training includes the practical skills of making occupied and unoccupied beds, patient hygiene, serving trays, assisting patients to walk, and assisting patients in and out of wheelchairs. In addition they were made familiar with the structure, organization and administration of a hospital.

The ceremony, which was held at the Lafayette School on Saturday, January 21, began with Orinda Troop 156 presenting colors. Mrs. Kenneth Hallstone, president of the Diablo Valley Area Girl Scout Council, made a welcoming address and Marguerite Glidden gave a short history on hospital aides in the Diablo Valley.

Special recognition for exceptional service of over 100 hours was given to Judy Carter, Carol Meisenheimer, Carol Travis and Katie Phypahl, and Pat Brown for 75 hours—all of Troop 188, Pleasant Hill. Receiving stripes for 50 hours service was Rowena Loughman, Lynn Loveland and Diane Kersten of Orinda Troop 128.

Wearing their uniforms for the first time and receiving caps from Mesdames Fisher and Wilson, were Lynn Craig, Janet Fleckner, Caroline Gordon, Nyda Henry, Ginger Johnson, Caryle Norris, Sharron Quinn and Joy Schumacher of Danville; Linda Kaufman and Judy Wolverson of Lafayette; Susan Hough of Martinez; Pam Bright, Rosemary Little, Della Schwam and Carol Stuart of Pleasant Hill; Gladys Smith of Orinda; Sue Ainsworth, Nora Banwell, Sue Christensen, Cornelia Davis, Judy Greene, Kay Hahneman, Janice Hoover, Janet Long, Gretchen Marten, Marilyn Ream, Nancy Runzo, Sally Strickers, Geri Weil, Sue Wharton, Phyllis Winchester and Denise Young of Walnut Creek.

Cooperating with the trainers by supplying hospital beds, wheelchairs and hospital equipment were Oak Park Convalescent Hospital, Pleasant Hill Junior Women's Loan Closet C & N Rentals and American Rentals of Walnut Creek.

## Choral Group Concert in May

# Most Industrial Incinerators Aren't up to Snuff

Only one per cent (200) of the 20,000 non-home incinerators located in the Bay Area in 1960 met the design requirements imposed by the strict new Air Pollution Control Regulation 2, which became effective January 1, according to Benjamin Linsky, control officer of the Bay Area Air Pollution Control District.

Serious area-wide air pollution, amounting to more than 40 tons per day of dusts and droplets, and 200 tons per day of organic gases, as well as localized effects have, in the past, come from these 20,000 single-chamber, or so-called "bad" incinerators located in industrial, commercial and institutional buildings and multiple dwelling units, Linsky said.

An unknown number of these "bad" incinerators are now out of service, he said.

"As block by block surveys are made, and as other reports are received, we will know more precisely where we stand."

AN ADDITIONAL 1000 medium and smaller operations, other than incinerator and salvage, are under surveillance by the Bay Area APCD.

These operations include industrial-chemical, foundries, petro-chemical and mineral processing plants. The latter includes sand and gravel, asphalt-batch and metal finishing plants. Three hundred of these operations need to do control work.

Of these 300, some 25 have filed and received clearance on their proposed schedules of regulation compliance, while another 50 are being questioned and revised.

Over 200 have not filed schedules at all. Linsky said that the District will move on these 200 as quickly as available man hours permit.

IT IS possible that some of the operations will be called before the District's Hearing Board. In this group of 200 we will undoubtedly find the recalcitrants who will appear before the Hearing Board and Superior Court.

"We hope this final step can be held to a minimum," said the Control Officer.

Cases that have not been cleared up at the Hearing Board level are certified to the District Attorney of the county in which the violation occurred for Superior Court injunction request, and for extreme recalcitrants, contempt of court penalty.

According to John E. Yocum, the District's Director, Technical Services, Regulation 1, control of open burning, which has been in effect since October, 1957, keeps 25 tons per day of particulates and 600 tons per day of undesirable gases from entering the Bay Area's atmosphere.

District officials calculate that under full compliance with Regulation 2, estimated to take about three years, a further reduction of 173 tons per day of particulate matter and 314 tons per day of undesirable gases will be realized.

IT IS expected that Bay Area industry will spend more than 12 million dollars over the next one to five years to comply with the strict regulation.

As of mid January, 9400 Regulation 2 registration forms and 175 compliance schedules have been received by the Bay Area APCD.

District officials estimated that as many as 70,000 operations should have registered by the September 1.

## Suburbia Today Will Be Packed With Fun, Facts

Actress, wit, writer and lecturer are all there. Ilka Chase tells what she'd do if she went around the world again—and shares the lessons she learned first time 'round, in the February issue of SUBURBIA TODAY, the sparkling addition to next Friday's edition of your Sun.

Then, humorist-journalist Art Buchwald takes his six-year-old son to the barber and shares with us the grueling \$10.50 experience. LILLIAM POMPIAN takes a hard look at today's teens and finds that they are not as coddled, pampered and spoiled as many so-called experts would have us believe. "Let's Stop Slamming Our Kids," is her conclusion.

Mike Nichols and Elaine May, leaders of the squirm-laugh-squirm school of comedy, grant Suburbia Today an exclusive interview this month. It may be short on facts, but it's long on Mike and Elaine.

For indoor gardeners who claim to have trouble with African violets, Joyce Muench lists a few rules that result in profuse, "uninhibited" blooms to grace any corner of the house.

The fashion page, this month, is crammed with "Wonderful Travel Clothes—Wonderful Anywhere." Bright colors and simple lines make these coats, dresses and sport clothes perfect for spring—anywhere in the world.

CARTOONIST Milton Caniff's Unusual Suburban Home is the product of famed ceramist Henry Varnum Poor, whose beautiful ornamental tiles are seen in almost every room of this impressive New City, New York house.

When the ladies get together, conversation comes before almost any other activity, doesn't it, and the food pages, filled with easy-to-prepare soups, salads, sauces—and a delectable Filbert Bread—are guaranteed to give the ladies plenty to eat—and talk about.

No one who needs a bit of garden information at three in the morning or someone to pay his taxes for him or a quick ride on a Shetland pony can afford to miss our news column, Getting Around, this month. The answers

Finally, our cartoonists get after "The Optimists," with some funny, pessimistic results.

## New Schools Join Science Seminar

Acalanes, Las Lomas and Del Valle High Schools have accepted the invitation of the Science Seminar at Miramonte High School to select outstanding science students who will become permanent members of the Seminar.

Faculty representatives from these schools met with the Seminar Committee on January 17 to facilitate the selection of these students, and it is hoped that up to 10 students from each school will join the group soon after the start of the new semester.

Selection is to be based on achievement, genuine interest, and recommendations as well as testing.

The Science Seminar is in its second year at Miramonte. The group meets each Wednesday night at 7:30 for one hour of lecture by scientists of the area, and one hour of study in interest groups, which include life sciences, earth sciences, chemistry, physics and mathematics. The students are encouraged to individual and group research projects and are assisted by many scientists who give unsparingly of their time and interest.

Each member is chosen because of his or her genuine interest in science and each finds opportunities for broadened horizons than would otherwise be possible within the normal scope of high school courses.

Next Wednesday the entire group will have the opportunity of meeting with Professor John McKee at his laboratories at the University of California. Professor McKee is interested in the psychology of animal behavior and will demonstrate his experimental methods to the students.

## Religious Leaders To Read 'Open Housing Covenant'

Religious leaders of central Contra Costa County have been requested to read, as a proclamation, the "Open Housing Covenant" sponsored by Catholics, Protestants and Jews of the area.

Race Relations Sunday, February 12, and Brotherhood Sunday, February 19, have been designated as special days on which to emphasize this appeal to man's religious sense of brotherhood.

JEWISH observances will take place in Sabbath evening services February 10 and 17.

The committee, made up of representatives from the three faiths and from civic organizations, is mailing further material to all religious groups in the central county this week. Additional volunteers are assisting in contacting each religious and civic group by telephone.

Covenant cards and other materials are also available from the Rev. Walter Bishop of the Orinda Community Church, Rabbi David Robins of the Jewish Community Center in Lafayette, and

Loco Hills, Pep, Lingo, Pie Town, Rosebud and High Loner. Some are some of the unusual names of towns to be found in New Mexico, according to the National Automobile Club.

THE BEST in reading is offered to Acalanes High School students at this paperback book stand in the school library. Principal Stanley Walgren browses through selections with Nancy Coexter and Douglas Inman. The books were purchased by the Parents Club with donated money.

### Parents Sponsor 'Good Book' Sale At Acalanes High

The Parents Club of Acalanes High School is sponsoring the sale of selected paperback books in the school library as an inducement to students to purchase their own copies of outstanding books.

Donating \$100 to start the project, the Parents Club hopes that the availability of inexpensive books will encourage increased leisure reading and instill the habit of buying books and the development of a personal library by students.

A total of 155 books were sold the first five days.

Profits from the sale of books will be used to extend the selection offered.

A wire rack has been donated for books where students may examine them at their leisure, paying for their selections at the library desk, on an honor system.

A catalogue of paperback titles is available for the use of students, as well as a sheet on which to list requests.

### Richard Doty Transfers

Second Lieutenant Richard E. Doty, son of Mr. and Mrs. A. R. Doty of 349 Glorietta Boulevard, was recently transferred to James Connally AFB, Texas, for duty as a medical supply officer in the 3565th USAF Hospital Group.

Lieutenant Doty graduated from Acalanes High School at Lafayette, California, in June, 1954, and received his bachelor degree in business administration at the University of California in June, 1959. He was assigned to Connally from Davis-Monthan AFB, Arizona, in January, 1961.

James Connally AFB, Texas, is part of Air Training Command, which trains personnel for America's expanding aerospace force of aircraft and missiles.

### York, Jr. Elected

The election of Palmer York Jr., local resident, to the board of governors of the Pacific Coast Stock Exchange was announced at the annual meeting of the San Francisco Division on Tuesday, January 17. York was also elected to the local management committee.

York resides at 33 Irving Lane, Sleepy Hollow, with his wife and three daughters. He is senior partner of York & Co., members of the Pacific Coast Stock Exchange. The firm recently opened offices in Walnut Creek to serve Contra Costa clients.

### Like Rabbits, These Area Businesses Are Increasing; Here are Figures

Contra Costa County listed 16.5 per cent more businesses in 1960 than in 1955 according to a report released today by Dun & Bradstreet.

Concord realized a 55.6 per cent increase; Alamo, 2.44 per cent; Antioch 13.9 per cent, Pinole 64.3 per cent, Danville 108.9 per cent, Lafayette 9.1, Richmond 3.8, San Pablo 6.7, Martinez 4.8 and Orinda 98.2 increase in the number of businesses in 1960.

Cities suffering a loss over 1955 were Oakley 2.4 per cent less, Crockett 24.6 percent less, Brentwood 8.5, Rodeo 12.8, Pittsburg 6.4 fewer businesses for the same period.

"THERE WERE 4,638 businesses listed this past year in Contra Costa County which is an increase of 666 businesses over 1955," said B. F. Catheart, district manager of the San Fran-

### Martha Spicer Named Area Contest Winner

Martha Spicer has been named the 1961 Betty Crocker Homemaker of Tomorrow at Miramonte High School.

Having received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating seniors in her school, she becomes a candidate for the state Homemaker of Tomorrow award which will be announced in March.

Each school Homemaker of Tomorrow will receive an award pin, manufactured by Jostens and representing the slogan, "Home Is Where the Heart Is." The examination papers of school Homemakers of Tomorrow will be entered in competition to name the state's Homemaker of Tomorrow.

The \$110,000 homemaking education program sponsored by General Mills offers a \$1500 scholarship to the first ranking girl in each state and \$500 scholarship to the state's second ranking participant.

State Homemakers of Tomorrow and their faculty advisors receive an expense paid educational tour to New York City, Colonial Williamsburg, Virginia, and Washington, D. C., April 8 to 13, the trip culminating in the announcement of the All-American Homemaker of Tomorrow whose scholarship is increased to \$5000. Second, third and fourth ranking Homemakers of Tomorrow in the nation will have their scholarships raised to \$4000, \$3000 and \$2000 respectively.

### Girls Nominees For Class Office

Two Orinda girls, Carol Jo Knudson, daughter of Mr. and Mrs. Andrew Knudson, 553 Miner Road, and Carole Ann McChesney, daughter of Dr. and Mrs. Paul McChesney, 5 Brook Bank Road, were nominated for freshman class offices at Willamette University on January 3.

Miss Knudson is a nominee for class treasurer. Miss McChesney, who runs unopposed, was nominated class secretary, but she does not positively have the position until officially elected.

Each a June, 1960, graduate of Miramonte High School, if elected, will serve her class spring semester, during which Willamette's ancient and important tradition, Freshman Glee, a song contest among the classes, is held. No date has been set for the elections.

### VEHICLE REGISTRATIONS

Motor vehicle registrations are expected to reach 73,868,000 for 1960, a gain of 2,371,000 over the 71,497,000 registered in 1959, reports the National Automobile Club.

San Francisco County listed fewer businesses in 1960.

All other Bay Area Counties showed a gain.

THE REFERENCE BOOK lists only manufacturers, wholesalers, retailers and some service companies such as gasoline service stations and laundries.

It does not include all professional and service businesses such as barber and beauty shops, real estate and stock brokers. Here is the increase in actual

## How Much Medic Care To Drinkers?

A survey to determine how much medical care is given to alcoholics will be carried out by the Contra Costa Council on Alcoholism, Inc., it was announced.

A questionnaire is being sent to the county's 300 physicians to find out how many doctors are currently treating some alcoholics, what other sources doctors use for treatment of problem drinkers. Also whether there is need for a convalescent home in the county to treat alcoholics.

The alcoholism council is a non-profit voluntary association aimed at rehabilitating alcoholics and improving public understanding of this disease.

Council members include persons from many professions — such as medicine, law, business, public health, police, and social work.

The council headquarters is located at 105 Astrid Drive, Pleasant Hill.

## Youth Group Will Hold Anti-Communist Rally

Contra Costa County Youth for Christ organization will hold an Anti-Communism rally tomorrow night at the Walnut Creek Recreation Center.

There will be two rallies, one starting at 6:30 and the second one beginning at 8:30 p.m.

According to Wayne Zellmer, director of Youth for Christ, this rally will be held for the sole purpose of informing the people of this area about the threats of Communism, its purpose and to expose Communism's future goals.

MR. ZELLMER states that the average citizen is uninformed about these activities and also that the Communist leaders are

organizing to establish a coast to coast Oriental Society Youth movement. Their belief is that the teenagers of America are searching for something and that the answer to their need is Communism.

Mr. Zellmer also states that the greatest weapon in fighting Communism is Christianity and if our American teenagers are to become good citizens they must do so with a faith in God.

THE MAIN feature of these rallies will be picture slides produced by the government on the workings of Communism and particularly Mr. Krushchek and his past murderous acts in the Ukraine and other parts of the Soviet Union.

Along with these slides Rev. Johnny Roswell, regional director and also director of the Turlock-Modesto-Merced Area Youth for Christ, will be the main speaker of the evening.

The all-teen YFC choir under the direction of Jerry Beardslee will present a musical program.

The host club for these rallies will be Alhambra High, Martinez.

A plaque will be given at each rally to the church with the largest single delegation attending.
